Homecoming Court applications are now available in Ms. Richey's classroom, room 264. If you're a senior who is interested in being in the running for homecoming court elections, please get a form! This is a different process from previous years. You will need to fill out an application and get it endorsed by two teachers and an administrator in order to be on the ballot for homecoming court elections. Filling out an application does not guarantee that you will be elected on the homecoming court, but it will ensure that you are on the ballot for voting! If you have any questions, feel free to contact Ms. Richey! Forms are due to Ms. Richey in room 264 by the end of the school day on September 4th!
