

**Magnet Eligibility Requirements
for students applying for the 2026-2027 school year**

Admission into a Dallas ISD Magnet school requires students to apply online at <https://chosedallasisd.schoolmint.com>. Students may select up to 5 choice schools with a limit of 2 magnet schools. Students will need to rank schools from 1 – 5, with 1 being the highest (most desired). Ranking schools when applying is crucial, because the system will attempt to place the student at the highest ranked “Eligible” school, first. Any school with a lower ranking than the offer received will automatically be rejected by the system. The student will remain on the wait list for any school ranked higher than the school offer received.

Students applying to a magnet program must meet eligibility requirements. Applicants who **meet** the minimum grade average **and** test score requirements are eligible to move forward to the on-campus assessment process, scheduled at the selected magnet school(s) of choice.

Eligibility requirements:

- Minimum grade average on the **most recent** report card at the time of application submission (any report cards submitted without numerical grades; the overall grade average will be determined by Dallas ISD educational experts). Report cards must have the student’s full name, grading period, school year, and school name listed. Progress reports are not accepted.
 - 80 grade average for **Talented and Gifted schools and Science and Engineering Magnet**
 - 75 grade average for **all other programs**
- Minimum STAAR, i-Ready or other Dallas ISD approved test scores (refer to charts below for qualifying score requirements by grade level)

Acceptable tests include:

- Spring 2025 STAAR Reading **AND** Math
- OR**
- Any of the following **sets** of i-Ready Reading **AND** Math scores:
 - School Year: 2024-2025
 - 2025 End-of-Year (EOY) Reading **and** Math
 - School Year: 2025-2026
 - 2025 Beginning-of-Year (BOY) Reading **and** Math
 - 2025 Middle-of-Year (MOY) Reading **and** Math

Students without a STAAR, i-Ready or other approved test scores and **not** enrolled at a Dallas ISD school can contact the magnet school of choice to schedule a test date. There is a \$100 test fee for students residing **outside** the Dallas ISD boundaries.

**Requisitos de elegibilidad de Magnet
para estudiantes que solicitan para el año escolar 2026-2027**

Puede permanecer en la lista de espera para cualquier escuela mejor clasificada.

Los estudiantes que solicitan ingreso a un programa magnet deben cumplir con los requisitos de elegibilidad.
