early steps at children's diagnostic & treatment center inc.

an affiliate of Broward Health

The first three years of your child's life are the most important for learning.

Early Steps provides services to infants and toddlers, age birth – 36 months, with developmental disabilities or delays.

Our early intervention teams work with families to create goals and priorities for their child and design a plan of care.

Make a referral.

Beyond Medicine, Into the Heart of Care.

DOES MY CHILD NEED EARLY STEPS?

If you or anyone close to your child has expressed concern about not reaching their milestones – talking, walking, playing, interacting with others – call ***CDTC Early Steps*** to initiate a referral.

ELIGIBILITY

A multi-disciplinary team of professionals will evaluate your child to determine eligibility for services. They assess the following areas:

- *Adaptive (self-help, feeding, dressing)*
- *Cognition (learning & problem solving)*
- *Communication*
- *Gross & Fine Motor Skills (moving, grasping, coordination)*
- *Physical (hearing, vision & health)*
- *Social/Emotional (playing & interacting with others)*

SERVICES AVAILABLE

If eligible, services may include:

- *Assistive Technology Devices*
- *Audiology Services*
- *Family Education / Early Intervention Sessions*
- *Occupational, Physical & Speech Therapy*
- *Service Coordination*
- *Vision / Hearing Services*
- *Other Individualized Services*

FEES

There is no income criteria or out of pocket expenses to families.
