Exceptional Student Education and Support Services
Broward County Public Schools

Broward County Public Schools (BCPS) is the sixth-largest school district in the nation and the second largest in the state of Florida. BCPS is Florida's first fully accredited school system since 1962, serving more than 256,000 students and approximately 110,000 adult students in 240 schools, centers, and technical colleges, and 90 charter schools. BCPS supports a diverse student population, representing 170 different countries and speaking 147 languages.

Broward College Transition Dual Enrollment Program

PROGRAM DETAIL

The Broward College Transition Program (BC Prep) is a post-secondary program designed for students transitioning to college who need support with executive functioning, self-advocacy, self-determination, social-interpersonal skills, and career planning. The students will experience the full college experience, participating in all college courses with access to all BC resources.

Broward College Resources

- Student Accessibility Office
