THE CLEAR CREEK INDEPENDENT SCHOOL DISTRICT is home to explorers and adventurers. Nestled along NASA Johnson Space Center in Houston and the boating waters of the Gulf of Mexico, Clear Creek ISD proudly serves the educational growth of more than 44,000 students and continues to be one of the most desirable places to raise a family in the Greater Houston area. Out of approximately 1,000 school districts in Texas, Clear Creek ISD is one of the 30 largest. Our district spans 103 square miles, 13 municipalities, and two counties (Harris and Galveston). CCISD students outperform their state-wide peers on all Texas standardized tests and college readiness indicators. Clear Creek ISD is comprised of 27 elementary, 10 intermediate, and 7 high schools. We pride ourselves on involving our stakeholders in making curriculum, finance, and policy decisions, and all of our decisions are made with the best interest of children in mind. **CLEAR BROOK HIGH SCHOOL** rests on the outskirts of Friendswood, a middle to upper middle class suburban city located five miles from NASA's Johnson Space Center and three miles from Ellington Airfield. Major contributors to the local economy are the petrochemical and aerospace industries, tourism, military, and the many businesses that serve a diverse suburban population.

CCISD CURRICULUM consists of over 300 courses for students to choose to prepare them for a variety of post-secondary opportunities. Courses are offered at both regular and advanced levels. Students may take 'Dual Credit' coursework on the campus of San Jacinto Community College South. Honors and Advanced Placement courses are advanced levels that provide students with more concentrated study and receive weighted points on our G.P.A. scale. Classes are taught on a traditional seven period day and numeric grades are awarded. A full description of our high school course offerings is available for download at: ccisd.net/myepg.
