Academic Performance Standards

The School's academic performance is evaluated in part by its performance on the state report card. *Where a School has not consistently maintained a designation as a Dropout Prevention and Recovery School ("DOPR School") by satisfying the requirements of R.C. 3314.017 in a given year, the Sponsor shall evaluate the School using this Performance Framework based upon the School's designation for the current year being assessed. In the first year that the School receives a "Standard" report card, it shall be scored on the "First Year" framework.*
