

New School Application Timeline

Mid-Ohio Educational Service Center mission as a Sponsor is:

The mission of the Mid-Ohio Educational Service Center (Mid-Ohio ESC), as a sponsor of community schools, is to establish a strong public community school by adhering to quality authorizing practices and oversight of the school in accordance with the role of a quality sponsor, and to provide an opportunity to students who may not otherwise participate successfully in public education, in a student-centered manner that results in a high standard of education.

We expect those who are applying for a New Ohio Community School to have done significant planning and to demonstrate a strong, evidence-based community school curriculum which is mission-driven and serves a need otherwise not being met in the community.
