Principal: Dr. Mandy Scott
Associate Principal: Mr. Shane Zelenski
Dean of Instruction: Ms. Eren Cryer
Lead Counselor & Director College Counseling: Ms. Denise Cottenoir

THE CLEAR CREEK INDEPENDENT SCHOOL DISTRICT is home to explorers and adventurers. Nestled along the NASA Johnson Space Center in Houston and the boating waters of the Gulf of Mexico, Clear Creek ISD proudly serves the educational growth of more than 44,000 students and continues to be one of the most desirable places to raise a family in the Greater Houston area. Out of approximately 1,000 school districts in Texas, Clear Creek ISD is one of the 30 largest. Our district spans 103 square miles, 13 municipalities, and two counties (Harris and Galveston). CCISD students outperform their state-wide peers on all Texas standardized tests and college readiness indicators. Clear Creek ISD is comprised of 27 elementary, 10 intermediate, and 7 high schools. We pride ourselves on involving our stakeholders in making curriculum, finance, and policy decisions, and all of our decisions are made with the best interest of children in mind.

CLEAR SPRINGS HIGH SCHOOL, the fourth comprehensive high school in Clear Creek ISD, is committed to meeting the needs of students through high expectations in academics, athletics, fine arts, and all other student extra-curricular activities. The 465,000 square foot building is designed to promote our vision of creating a personalized and positive learning environment for all 2,646 students enrolled.

The mission of Clear Springs High school, the beacon of innovative learning, is to cultivate self-direction, confidence, and commitment to excellence by instilling uncompromised character, a strong work ethic, and meaningful relationships.

CCISD CURRICULUM consists of over 300 courses from which to choose to prepare students for college, technical school, and careers. Courses are offered at both regular and advanced levels. Students may take 'Dual Credit' coursework at College of the Mainland. Honors and Advanced Placement courses are advanced levels which provide students with more concentrated study in a particular field and receive weighted points on our G.P.A. scale. Classes are taught on a traditional seven period day and numeric grades are awarded.

CEEB/ACT School Code: 444082

ADVANCED ACADEMIC AND COLLEGE LEVEL COURSES OFFERED AT CSHS

English:
- Honors English I, II
- Honors English I, II Leadership
- AP English III Lang & Comp
- AP English IV Lit & Comp
- English III & IV Dual Credit
- Honors Humanities
- AP Capstone Seminar
- AP Capstone Research

Mathematics:
- Honors Algebra I, II
- Honors Geometry

- Independent Study: Computer Science Honors

*Partial List. For a complete list, see CCISD Educational Planning Guide **https://www.ccisd.net/courseselection**

CCISD GRADE RANGE SCALE (EIC Local)

CCISD GRADE RANGE SCALE		
Numeric Average	**Letter Grade**	**Description**
90-100	A	Excellent Progress
80-89	B	Good Progress
70-79	C	Fair Progress
69 and below	F	Failing

RANK IN CLASS Each semester course has a designated grade point level (GPA level) used to determine rank in class and grade point average on a **weighted 5.0 scale (EIC Local)**. Courses designated as Level 1 courses include Honors, Advanced Placement (AP), and Gifted and Talented (GT) courses. Level 2 courses include all general education courses. Level 3 courses are modified in content by the Special Education ARD committee. Class rank shall be based upon the grade point average. It is determined by dividing the total number of grade points earned by the total number of semester units attempted, resulting in a maximum grade point average of 6.0.

CCISD GRADE POINT SCALE			
	Level 1	**Level 2**	**Level 3**
Courses	Honors, AP, GT	General	Modified, Spec. Educ.
Grade Points	6.0	5.0	4.0

Although CCISD utilizes a weighted 5.0 scale as outlined above, if a student requests a 4.0 Grade Point Average for postsecondary needs that only accept a 4.0 Grade Point Average, counselors may refer to the Student Information System for more information.

GRADUATION REQUIREMENTS CCISD students graduate under the Foundation Plan (22 credits) or the Foundation with an Endorsement Plan (26 credits).

Endorsements are offered in the following areas: STEM, Business & Industry, Public Services, Arts & Humanities, and Multidisciplinary.

Additionally, students can graduate with a Distinguished Level of Achievement, indicating a total of four credtis in math (including Algebra II), a total of four credits in Science, and successful completion of an endorsement.

Students can also earn Performance Acknowledgements for: Dual Credit, Bilingualism & Biliteracy, Advanced Placement Scores, PSAT/NMSQT, SAT, ACT scores, and/or state or nationally recognized business or industry certifications or license.
