SENIOR PARKING SPOTS

The Seniors are starting off the year in style, with their very own parking spot! The entire Class of 2026 was invited to select a spot in the designated area of the middle/high school parking lot and paint it to reflect their style.

FROM THE DESK OF THE SUPERINTENDENT

Mr. Jeremy Siddon

Welcome Back, West Canada Valley!

As the summer days begin to wind down and we prepare to open our doors for another exciting school year, I want to extend a heartfelt welcome back to all of our students, families, faculty, and staff for the 2025–2026 school year at West Canada Valley Central School. Our team has been hard at work throughout the summer to ensure we are ready to provide our students with the best possible learning experience. Classrooms have been prepared, schedules finalized, and new opportunities planned—all with student success in mind.

A sincere thank you goes out to our incredible staff across the district for their dedication and commitment to making this year another great one. From teachers, administrators, counselors, support staff, bus drivers, and coaches, your efforts do not go unnoticed. I'd also like to give a special thank you to our support staff—custodians, cleaners, maintenance workers, and all those who have worked tirelessly to make our buildings shine. Because of your hard work, our school is clean, welcoming, and ready for students to return with pride and excitement.

There's nothing quite like the energy of a new school year. We are eager to see the hallways filled with students, laughter, learning, and the promise of another year full of growth, achievement, and community!

Communication
The district is always seeking more efficient strategies to communicate with students, parents, and the community. During the past few years we have made improvements to our newsletter, added social media, and implemented phone/text connections to relay announcements and emergency information. In addition, the Schooltool Parent and Student Portals are fully operational, along with Parent Square. This allows parents, guardians and students consistent access to grades, progress reports, and important announcements.

Transportation
The transportation portion of the newsletter provides information on how you can obtain the pick-up and drop off times for your children. As a reminder, the elementary bus loop is for buses only. All vehicles must use the drop-off area located in the parking lot. If a vehicle is located in the bus loop you will be asked to immediately move to the designated parking areas. Your cooperation with the traffic pattern is certainly appreciated. In addition, please remember to sign in at the main office once you gain access through the secure entrances located in both the elementary and high school buildings.

FROM THE DESK OF THE SUPERINTENDENT

Mr. Jeremy Siddon

Parking
Throughout the school year, we hope you take advantage of the many great events that we have scheduled on campus. For most, if not all events, we have enough parking spaces available at the parking lot near the main entrance and in front of the elementary school. Please note; parking in identified fire lanes and on the lawn is prohibited. This will assist the district in maintaining the safety and appearance of the campus for years to come.

Appreciation
I would again like to thank members of the community for the ongoing support provided to the West Canada Valley School District. The many educational opportunities our students have would not be possible without your support. The West Canada Valley School District has a beautiful campus that provides a safe and secure location for the students in this community. Once again, thank you for your support and enjoy the remaining days of summer!

Sincerely,

Jeremy Siddon, Superintendent

FROM OUR ELEMENTARY AND MS/HS MAIN OFFICES

Reminder

Please remember to send notes if you plan to pick your child up early from school. Notes should be turned into the main office first thing in the morning. This will allow the office staff to have your child ready to leave at the time indicated in the note.

Please Note: If your child is marked absent from school when the morning attendance is taken, you will be notified by ParentSquare. Each building's attendance information is collected at a certain time each morning, then an automatic notification is sent to parents/guardians at a scheduled time. Unfortunately, once the attendance information is collected in the automatic notification process, it cannot be retracted. If your child arrives to school after the attendance information is collected, you will still receive a notification. Please instruct your child to sign in at the main office if they are arriving late to school and their absence will be changed to a tardy/late arrival. If you have any questions about this process, please call the elementary or middle/high school main office .

OPENING SCHOOL & MORNING PROGRAM

The first day of school for **students in grades K-6 is Thursday, September 4**. Our **Pre-K classes** will begin on **Monday, September 8**.

We are excited to kick off **Morning Program** for students in **grades K-2** starting **Monday, September 8**. Families and guests are welcome to attend on **Mondays, Wednesdays, and Fridays** throughout the school year. Parents and guardians will be notified in advance if their child is receiving an award during Morning Program.

This year's Morning Program theme is **"Adventure Awaits at West Canada Valley Morning Program!"**

We can't wait to share the journey with you!

ELEMENTARY SCHOOL NEWS

PRE-K VISITATION DAY

Pre-K visitation days will take place on **Wednesday, September 3 and Friday, September 5**. Each child has been scheduled to attend on one of these days for a one-hour visit with their classroom teacher. During this time, important procedures will be reviewed, and teachers will share what to expect throughout the Pre-K year.

Each student may bring up to two visitors for the visit. **This is not a regular school day for Pre-K students,** they will attend only during their scheduled one-hour time slot with their guests. Each family should have already received a letter in the mail with your child's specific date and time. If you have not received this letter, please contact the elementary main office. **Regular Pre-K classes will begin on Monday, September 8.**

PARENT TEACHER CONFERENCES

Parent-teacher conferences are scheduled for November 24 and 25. Please note that these will be half days for elementary students with an 11:30 AM dismissal.

Teachers will provide specific scheduling information in early November. We appreciate you taking the time to meet and discuss your child's progress and educational experience.

ELEMENTARY OPEN HOUSE/TITLE 1 MEETING

You are invited to our **Elementary School Open House on Tuesday, September 16th, from 6:00-7:00 PM.** This is a wonderful opportunity for parents/guardians to meet their child's teacher, tour the classroom, and learn about expectations and procedures for the school year.

During this event, our Literacy Specialists will be available to share important information about our Title I funded intervention programs and Multi-Tiered System of Support (MTSS). They will be available to answer any questions you may have.

We look forward to seeing you there!

ELEMENTARY SCHOOL NEWS

EVERY DAY COUNTS!

We love seeing our students at school each day! Regular attendance helps students build friendships, stay connected to learning, and develop strong routines that lead to lifelong success.

Did you know? Missing just 2 days a month adds up to 18 days in a school year; that's nearly 10% of the school year.

While we understand that sometimes absences are unavoidable, we encourage families to make attendance a top priority. Thank you for partnering with us to support your child's learning, because every day really does make a difference.

CHANGES TO ELEMENTARY STUDENT REPORTING

This year, we are transitioning from quarterly report cards to a trimester reporting system. Report cards will now be issued three times a year, in **December, March, and June.** This change provides teachers more time to support student learning and provide meaningful feedback. It also allows students more time to learn, make progress, and celebrate their accomplishments. Thank you for partnering with us as we work together to support your child's success!

ELEMENTARY STUDENT CELL PHONE & ELECTRONIC DEVICE GUIDELINES

Beginning this September, **all schools across New York State** will implement a **bell-to-bell restriction** on electronic devices—including, but not limited to, cell phones, smartwatches, and handheld gaming devices. To support this effort, we strongly encourage students to leave electronic devices at home.

Grades K–4: If a device must be brought to school, it should be checked in at the main office upon arrival.
Grades 5–6: Devices should be turned in to their **homeroom teacher**, where they will be safely stored in a designated cell phone case for the day.

If a student needs to contact their family during the school day, they may do so through the **main office.** Thank you for helping us maintain a focused and distraction-free learning environment. Please don't hesitate to reach out to the school if you have any questions.

MIDDLE/HIGH SCHOOL NEWS

PRINCIPAL'S MESSAGE

Dear Families, and Students,

Welcome back. I hope that everyone has enjoyed the summer with their families. I am extremely excited to begin another year as the Middle/High School Principal and can't thank all of you enough for your support.

- Mrs. Jaclyn Santmier, Mathematics 7-12

- Mrs. Ashley Potter, Teaching Assistant

Students will again be provided one-to-one Chromebooks this school year. With that being said, I ask that families assist us with preventing damage to Chromebooks. The District will continue to use ParentSquare as the primary notification system to communicate with families and staff. Please be sure your email and cell phone information is current in ParentSquare.

I look forward to seeing all the students on Thursday, September 4th. Please don't hesitate to call me at (315) 845-6800 with questions or concerns. Have a great school year!

Sincerely,
Glenn M. Broadbent
Middle/High School Principal

SCHOLARSHIPS

Numerous scholarships are available to seniors through the generous support of many individuals and organizations in our community. A few scholarships will be available this fall, but the majority will be posted in the spring, so it is important to keep checking throughout the entire year. All students are encouraged to consider applying for these scholarships, as not all require applicants to be college-bound, and many do not have minimum GPA requirements. Scholarships will be presented at the 2026 Commencement Ceremony on Saturday, June 27. Your counselors maintain a rolling spreadsheet of all available scholarships, including the name, description, eligibility criteria, and due date of each scholarship. This information is shared with seniors in several ways:

- Posted in the WCV Guidance Class of 2026 Google classroom
- Email update through Google classroom
- Posted in the window of the guidance office (located in the senior locker wing)
- Printed copies of the spreadsheet are available in the guidance office upon request

NOTICE TO PARENTS AND GUARDIANS – RELEASE OF INFORMATION (FERPA/DIRECTORY INFORMATION)

You should know the school district's procedure/policy on the Family Educational Rights and Privacy Act (FERPA) and the release of directory information. Directory information includes, but is not limited to, the student's name; address; telephone listing; electronic mail address; photograph; date and place of birth; major field of study; grade level; enrollment status (e.g., undergraduate or graduate, full-time or part-time); dates of attendance; participation in officially recognized activities and sports; weight and height of members of athletic teams; degrees, honors, and awards received; and the most recent educational agency or institution attended. Under this law, directory information may be released without prior parental consent to third parties, including military recruiters, upon request. To prevent this information from being provided to third parties, a separate request should be submitted to the school district by **September 30, 2025** indicating that your child's information should **not** be included in the school district's directory. If you make such a request, no directory information will be released with respect to your child unless you provide specific consent for the same.

Federal legislation requires the school district to give United States Armed Forces recruiters the same access to secondary students that we generally provide to post-secondary schools and prospective employers. The law also requires that we give military recruiters the names, addresses, and telephone listings of secondary students upon request, unless the student or parent/guardian has requested that such information not be released without prior written parental consent. The purpose of this notice is to inform you that you have the right to request that the school district not release the name, address and telephone listing of your child to military recruiters without your prior written consent. If this is your desire, please provide the principal's office with a signed letter indicating such by **September 30, 2025**.

PESTICIDE SPRAYING

During the school year, we are no longer allowed to spray pesticides on our playgrounds or ball fields unless the Board of Education declares an emergency situation. In the unlikely event that this should happen, schools are required to maintain a list of staff and parents who wish to receive notification on any pesticide application, 48 hours prior to the application. If you are interested in being on the list, please fill out the form below and return it to your child's teacher. You will be asked at the beginning of each school year as to whether you would like to be included on the list. If you have any questions, please contact Shelly Maxwell, Pesticide Representative at 315-845-6800 Ext 3404.

TRANSPORTATION NEWS

I would like to start with welcoming everyone back to another school year here at WCV. Here are a few reminders that help us in the transportation department.

- Have a new phone number? Please contact the school so we can update our files. In the event of an emergency situation current phone numbers are very important
- Please make sure someone is home for elementary students when the bus arrives in the afternoon.
- Bus discipline issues are serious. Do not hesitate to contact either your child's principal or me with your concerns.
- Please refrain from the practice of following a bus to take a child off or to let a child get on the bus. It can be very dangerous when students walk along the side of a bus and the driver is unaware.
- My bus is early…My bus is late….The first week of school can be frustrating for all. As the first few days of school pass the bus runs will settle down to actual times and should run within plus or minus 5 minutes, weather permitting.
- State law: **Never pass a stopped school bus that has its red lights flashing.** This law applies in the school yard as well. Violators will be prosecuted.

CAFETERIA CORNER

Hello to all,

I am excited to share that our student population will be offered universal free meals at breakfast and lunch again this year! Each student will be offered a reimbursable meal, should they choose to accept it. The USDA has specific nutrition standards for school meals as per the Healthy, Hunger-Free Kids Act of 2010. WCVCS must meet these nutrition standards with each meal served. **In order for the student to receive the "free meal," they must take at least the minimum quantities offered of the Required Food Components.**

We will offer a'la carte foods, snacks and beverages that can be purchased during lunch periods, as we have in the past. Many families have set up accounts on the My School Bucks website https://www.myschoolbucks.com. This helps eliminate students carrying cash with them and keeps you in control of how much your student can spend on food while at school.

With the recent Federal and State changes to school lunch programs, I encourage all families in our school district to fill out the CEP Household Income application that is available on the school website or in this newsletter publication. The CEP applications impact more than just school meals:

- They help provide essential funding for our school district which goes directly into your student's classroom
- They help to potentially qualify for P-EBT if eligible, in addition to SNAP benefits
- Receive discounted utilities and internet access
- Become eligible for fee waivers for college applications & admissions tests (i.e. SATs, ACTs, AP)
- Receive benefits regardless of citizenship status

Submitting this form is quick, easy and secure. Your information is not shared at school or with anyone. If your income has changed, or your student qualified for free or reduced meals in the past, please consider updating your status. Visit our website https://www.westcanada.org for an application, contact me directly via e-mail at sbutler@westcanada.org, or call my office at 315-845-6800, Ext. 3360.

If I can be of assistance with any of this or you have questions, please let me know. Thank you all so much and see you soon!!

Shelby Butler, Food Service Director
