SOPHOMORE RETREATS

Sophomores were asked in their religion class to fill out their top three choices out of the retreat options listed below. Retreats on Sundays run from the morning through the afternoon and retreats during the retreat take place within the timeframe of a normal school day (8 a.m. to 3:05 p.m.) Reservations will be e-mailed to parents and students by the end of the day Wednesday, 9/3 and further details will be communicated within the Canvas course page for the assigned retreat. Students are responsible for communicating with their teachers in advance to discuss material they will miss while on retreat and make arrangements for turning in their work.

Sophomores in Mr. Telles's and Dr. Menkhaus's team-taught classes will be going on retreat near the end of third quarter as part of their coursework and did not need to sign up. More details will be shared with those students early second semester.
