

ACADEMIC STANDARDS FOR KINDERGARTEN

Language Arts

Reading Standards for Literature

Key Ideas and Details

- With prompting and support, ask and answer questions about key details in a text.
- With prompting and support, retell familiar stories, including key details.
- With prompting and support, identify characters, settings, and major events in a story.

Craft and Structure

- Ask and answer questions about unknown words in a text.
- Recognize common types of texts (e.g., storybooks, poems, fantasy, realistic text).
- With prompting and support, name the author and illustrator of a story and define the role of each in telling the story.

Knowledge and Ideas

- With prompting and support, describe the relationship between illustrations and the story in which they appear (e.g., what moment in a story an illustration depicts).
- With prompting and support, compare and contrast the adventures and experiences of characters in familiar stories.

Text Complexity

- Actively engage in group reading activities with purpose and understanding.

Reading Standards for Informational Text

Key Ideas and Details

- With prompting and support, ask and answer questions about key details in a text.
- With prompting and support, identify the main topic and retell key details of a text.
- With prompting and support, describe the connection between two individuals, events, ideas, or pieces of information in a text.

Craft and Structure

- With prompting and support, ask and answer questions about unknown words in a text.
- Identify the front cover, back cover, and title page of a book.
- Name the author and illustrator of a text and define the role of each in presenting the ideas or information in a text.

Knowledge and Ideas

- With prompting and support, describe the relationship between illustrations and the text in which they appear (e.g., what person, place, thing, or idea in the text an illustration depicts).
- With prompting and support, identify the reasons an author gives to support points in a text.
- With prompting and support, identify basic similarities in and differences between two texts on the same topic (e.g., in illustrations, descriptions, or procedures).

Text Complexity

- Actively engage in group reading activities with purpose and understanding.

Reading Standards: Foundational Skills

Print Concepts

- Demonstrate understanding of the organization and basic features of print.

Phonemic Awareness

- Demonstrate understanding of spoken words, syllables, and sounds (phonemes).

Phonics and Word Recognition

- Know and apply grade-level phonics and word analysis skills in decoding words both in isolation and in text.

Fluency

- Read emergent-reader texts with purpose and understanding.

ACADEMIC STANDARDS FOR KINDERGARTEN

Writing

Text Types and Purposes

- Use a combination of drawing, dictating, and writing to compose opinion pieces in which they tell a reader the topic or the name of the book they are writing about and state an opinion or preference about the topic or book (e.g., *My favorite book is . . .*).
- Use a combination of drawing, dictating, and writing to compose informative/explanatory texts in which they name what they are writing about and supply some information about the topic.
- Use a combination of drawing, dictating, and writing to narrate a single event or several loosely linked events, tell about the events in the order in which they occurred, and provide a reaction to what happened.

Production and Distribution of Writing

- With guidance and support from adults, respond to questions and suggestions from peers and add details to strengthen writing as needed.
- With guidance and support from adults, explore a variety of digital tools to produce and publish writing, including in collaboration with peers.

Research to Build and Present Knowledge

- Participate in shared research and writing projects (e.g., explore a number of books by a favorite author and express opinions about them).
 - With guidance and support from adults, recall information from experiences or gather information from provided sources to answer a question.
-

Language

Conventions of Standard English

- Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.
- Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.

Vocabulary Acquisition and Use

- Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on *kindergarten reading and content*.
- With guidance and support from adults, explore word relationships and nuances in word meanings.
- Use words and phrases acquired through conversations, reading and being read to, and responding to texts.

Speaking and Listening

Comprehension and Collaboration

- Participate in collaborative conversations with diverse partners *about kindergarten topics and texts* with peers and adults in small and larger groups.
- Confirm understanding of a text read aloud or information presented orally or through other media by asking and answering questions about key details and requesting clarification if something is not understood.
- Ask and answer questions in order to seek help, get information, or clarify something that is not understood.

Knowledge and Ideas

- Describe familiar people, places, things, and events and, with prompting and support, provide additional detail.
- Add drawings or other visual displays to descriptions as desired to provide additional detail.
- Speak audibly and express thoughts, feelings, and ideas clearly.

ACADEMIC STANDARDS FOR KINDERGARTEN

Mathematics

Mathematical Practices

- Make sense of problems and persevere in solving them.
 - Reason abstractly and quantitatively.
 - Construct viable arguments and critique the reasoning of others.
 - Model with mathematics.
 - Use appropriate tools strategically.
 - Attend to precision.
 - Look for and make use of structure.
 - Look for and express regularity in repeated reasoning.
-

Counting and Cardinality

- Know number names and the count sequence.
- Count to tell the number of objects.
- Compare numbers.

Operations and Algebraic Thinking

- Understand addition as putting together and adding to, and understand subtraction as taking apart and taking from.

Number and Operations in Base Ten

- Work with numbers 11–19 to gain foundations for place value.

Measurement and Data

- Describe and compare measurable attributes.
- Classify objects and count the number of objects in categories.

Geometry

- Identify and describe shapes.
 - Analyze, compare, create, and compose shapes.
-

Science

Investigation and Experimentation

Scientific progress is made by asking meaningful questions and conducting careful investigations, by observing common objects, by using the five senses, and by describing the properties of common objects, etc.

Physical Science – Wood and Paper

The concept of trees as natural resources is introduced, and students become aware of the need to conserve and reuse natural resources.

Life Science – Animals 2 X 2 and Living Things

Students learn about different types of common land and water animals that inhabit the earth.

Earth Science - Trees

Students investigate plants as living organisms.

Health Education

In kindergarten, students learn that they have rights as well as responsibilities for taking care of themselves and working with others.

ACADEMIC STANDARDS FOR KINDERGARTEN

Social Science

Students are introduced to geographic and historical connections between the world today and the world long ago. The stories of ordinary and extraordinary people help describe the range of human experiences and introduce the concepts of courage, self-control, justice, heroism, leadership, deliberation, and individual responsibility. Students learn about how people lived and worked long ago. They are introduced to the concept of civic behavior: how we interact respectfully with each other, follow rules, and respect the rights of others.

Physical Education

Children participate in organized activities designed to help improve physical fitness, confidence, and social behavior. Children are encouraged to experiment with movement.

Visual and Performing Arts

The visual and performing arts are visual arts (drawing, painting), dance, music (listening, rhythm and playing) and drama. Students experience the arts through learning art skills, creative expression, and experimentation.
