OVER \$1.9M AWARDED TO EDUCATION ADVANCEMENT

WE ARE THE EMS EDUCATION FOUNDATION

Thank you for choosing EMS Education Foundation as your charity of choice. Our society is strengthened by investing in the education of future leaders. We are building the future, one successful student at a time. Your gift ensures students will reach their maximum potential through various levels of educational support: Pre-K to 12th grades, and beyond.

We are an independent, nonprofit 501(c)3 organization dedicated to providing innovative educational opportunities for students and staff at Eagle Mountain-Saginaw ISD, to compete in the ever evolving 21st century global economy.

Your sponsorship empowers us to award life changing scholarships as well as granting resources for teachers to focus on achieving higher standards in the classroom.

Your compassion for our foundation's mission is met with humbled gratitude.

Thank you for changing lives!

--Ally Surface, Director

A Gallup poll questioned 1 million children and concluded that the greatest predictor of success was hope for their future—not economic status, grades or test scores but simply **HOPE**.

General Scholarship Gift

Education changes lives and strengthens communities, oftentimes breaking the cycle of poverty. A scholarship is not just an investment in one student, it has ripple effects through decades, and it is an investment that continues to give.

Your gift counts. Every gift, at every level, made to the EMS ISD Education Foundation will make dreams come true. A gift to the General Scholarship Fund will work together with other gifts. It will make a difference—one student at a time.

The foundation offers a variety of scholarship options. We can create the perfect option for you. It can bear your name, your business name, or you can make it a tribute to a special person in your life, in memory of, or in honor of. This is a wonderful way to recognize and remember that special person in your life.
