

Classified FAQ's for job experience

1. How is previous employment counted toward my salary?
All new employees are placed on Step 1 of the appropriate salary schedule until verification of past same/similar work experience is received.
2. I have worked part time in various jobs. Will those jobs count toward salary placement?
Each verification of same or similar work with the amount of months worked is divided by 12 to obtain the amount of years earned.
3. Will my military experience count toward credit?
A maximum of 3 years' credit will be allowed for military service. A DD214 form would serve as your military verification and must be provided.
4. How many hours per week is considered full time?
Full time depends on your position within the school system. Non-educational institutions full time is considered 40 hours per week.
5. Is experience credited when I worked when I was under the age of 18?
Marietta City Schools' practice is to acknowledge work after age 18.
