2025-2026

There must be a strong partnership between school and home for a child to reach his or her full potential intellectually, emotionally, and physically. To achieve this, the school and home must work together by recognizing and agreeing upon the responsibilities of each party in the learning process.

SCHOOL RESPONSIBILITIES

Anderson Elementary will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables all scholars to learn and to meet the state's achievement standards for scholars.
2. Keep our scholars safe.
3. Hold parent/teacher conferences.
4. Provide parents with frequent reports on their children's progress using reports, report cards, or PowerSchool.
5. Provide parents with reasonable access to staff. Parents may observe in their children's classrooms and meet with teachers during their conference periods. Parents may contact the school to set up appointments.
6. Provide parents with opportunities to volunteer and participate in their children's school. Parents may chaperone field trips and attend and participate in classroom functions (if they have passed the VIPS background check).

PARENT RESPONSIBILITIES

We, as parents, will support our children's learning in the following ways:

1. We will send our children to school each day on time. Our children will only be absent if they are sick, if there is a family emergency, or if a religious holiday falls on a school day. Once our children return to school after an absence, we will send an excuse within 3 school days.
2. We will make sure that the homework is complete.
3. We will volunteer at our children's school when possible.
4. We will participate in decisions relating to our children's education. We will attend Parent Meetings and provide feedback on surveys and needs assessments when possible.
5. We will stay informed about our children's education and communicate with the school by reading the campus newsletter, school notes, and the Anderson ES website, and listening/ responding to callouts.
6. We will guide our children in making good decisions outside of school regarding the positive use of extracurricular time.
7. We will continue to learn with our children.

SCHOLAR RESPONSIBILITIES

Scholars will:

1. Follow the Code of Student Conduct.
2. Follow classroom and school rules.
3. Complete all classwork as assigned and in a timely manner.
4. Do their homework each day it is assigned.
5. Be responsible citizens at home and school.
6. Follow the student dress code.
