The cover art chosen this year reflects references to sustainability, environmental literacy and nature.

For the front cover, we have a stunning piece titled “Expressions Within” by Agnes Qiu from Pacific Rim International School. Agnes has used acrylic paint to beautifully capture the essence of both water and fire, elements that hold significant importance in Chinese culture.

On the back cover, we have “Determined Flight” by Ezra Dubnicoff from Terra Nova High School. Ezra’s work with the Tombow MONO drawing pencil showcases a remarkable level of detail and creativity.

Both pieces are outstanding examples of the incredible talent of students right here in San Mateo County. In addition to these pieces, the remaining images highlight our schools’ commitment to sustainability, outdoor education, and environmental literacy.
