

California Department of Education

Certificate of Recognition

is presented to

Travis Education Center Travis Unified School District

In honor of your recognition by the
California Department of Education as a
2025 Model Continuation High School.

We appreciate your work to assist your students in reaching their academic goals and provide support and resources to address their social emotional learning. Your passion to develop and nurture “this whole student” is commendable.

Your school’s innovative programs and comprehensive services demonstrate an enduring commitment to better serving students with diverse needs and strengths.

Please accept our best wishes as you continue to mentor your peers as well as develop programs that allow your students to thrive personally and academically.

Congratulations on this well-deserved honor.
