

Mount Vernon City Schools

School Facility Grade Card

Grade Card Information

The school facility grade card will provide some historical/demographic information followed by 14 facility components for each building. A grade designation will be given to each area:

“S”- Satisfactory

“R”- Repair/Renovate/Replace

The grades have been assigned in collaboration with the following:
District Architect, Director of Maintenance, Building Custodian, Building Principal, and the Ohio Facility Construction Commission report.
