

Volunteer Opportunities

MuralFest Putnam will take an army of volunteers to bring this project to fruition. Sure, the Walldogs and local artists will bring their talent, but the heaviest lift will take the combined hands and hearts of many folks who just want to be involved with this feel-good event. We will eventually use an event organizing, volunteer management software program like SignUp Genius to recruit, assign, and communicate with volunteers. For now, here are some roles to contemplate. Where do you see yourself? What time and unique talents can you contribute to our cause? This is a multi-generational project, and everyone of all ages and abilities are welcome!
