Mount Dora Christian Academy & Children's Home August 2025

Built Different

At the Academic Success Center, we believe every student is uniquely created and wonderfully made. Our theme this year, "Built Different: Tools for Success," reminds us of Psalm 139:14: "I praise You because I am fearfully and wonderfully made."

Each student is built different, with their own strengths, gifts, and potential. Just like a builder follows a blueprint, students can map out their goals and use the right tools to stay on course. At the ASC, we provide those tools for success—from peer tutoring and study strategies to encouragement and accountability.

This year, we celebrate that our students are not only built different but also built strong, built to stand.

Staff Spotlight

Kelly Morales

Mrs. Morales is our Academic Success Coach. She supports students K-12 to help them succeed.

Trista Spencer

Mrs. Spencer is our Secondary Success Coach. She supports our students with academic coaching and academic support.

Jessica Vann

Mrs. Vann is our Elementary Success Coach. She supports our elementary students and runs our Peer Tutor Program.

Firm Foundation

Our boulder stands as a symbol that Jesus is our Firm Foundation. Each handprint and thumbprint on the rock is a reminder that every student plays a special part in building a foundation of faith, community, and success. Together, we are leaving a mark that will last far beyond this school year.
