DRSEF Awards Ceremony

January 31, 2026
3:00 PM

DRSEF is a districtwide competition, which allows students in grades 3rd-12th to compete in 22 science and engineering categories. All students are invited to participate in a local school science fair. Please share the opportunity to participate with all students regardless of a school's choice to host a local school fair.

Who can participate?

The DeKalb Regional Science & Engineering Fair is open to all students in grades 3rd-12th who have advanced from their local school science fair. Students in grades 6-12 must participate in a local school fair and DeKalb Regional Science & Engineering Fair to compete at the state and international level.
