## A MESSAGE FROM THE PRINCIPALS

Welcome back! We are excited to begin the 2025-2026 school year, which is filled with many exciting events and activities. We enjoyed meeting our Kindergarten families during orientation and look forward to welcoming our 1st and 2nd grade families at Open House. Our fall Title I and Principal Advisory meetings are a great opportunity for us to engage in thoughtful conversations with parents/guardians. We hope to see you there! at our fall Title I and Principal Advisory meetings.

Frequent, proactive communication is key to building strong school-home relationships. To stay up to date on all things PVE, please utilize the calendar page of our monthly newsletter. Important information, such as grades and classroom updates, will also be available through Seesaw, PowerSchool, and the Principal's Message of the Week. Please let us know if you are having trouble receiving information from any of these sources.

We look forward to working with you and your child this school year!

## COUNSELORS' CORNER

Welcome back! The school counselors are excited to begin working with the students in the next few weeks. Our role is to promote student success in academic, personal/social, and career development. To accomplish this task, we will be conducting classroom guidance lessons one time per 6 day cycle. Classroom guidance lessons are a great opportunity for us to get to know the students in our grade level. Guidance lessons help students learn to be successful in all areas of school. The curriculum we will be utilizing for this purpose is Second Step. For more information on Second Step, visit the following website: [www.Secondstep.org](http://www.Secondstep.org)

We hope that you and your child will see our role as one which provides knowledge and support for helping students develop positive decision making skills, character traits, and a positive attitude toward themselves, peers, and school.

### School Counselors:

Jillian Hansen - Kindergarten  
Kaitlyn Everson - First Grade
