

SIS Morning Announcements Club

 ***Do you like being creative, writing, or being on camera? Then this is the club for YOU!*** 

We're looking for responsible and enthusiastic 6th graders to:

- Write creative scripts
- Report the latest school news
- Go live and share announcements with the whole school

 **Meetings:** Once a month at 8:00 AM

 **Shifts:** Rotating broadcast shifts during the school day

If you're ready to shine and be the voice of our school, this is your chance!  

 ***Return this form to Mrs. Johnson in Room 227 by September 19th. Spots are limited — a waiting list will be created if necessary.***
