

Dear Parents and Guardians,

Hello! My name is Taylor Baird. I am so excited to be your child's Title One Reading teacher this year!

I attended Youngstown State University for my bachelor's degree in Early Childhood Education and Early Childhood Intervention Specialist (PK-3). I also obtained my Early Childhood Generalist endorsement through Walsh University. Last school year I taught 4th Grade Language Arts and prior to that I was a Title One Reading Teacher. This will be my fourth year teaching.

I am very much excited to work with your child to help develop their reading skills. Please feel free to contact me with any questions you may have.

Kindly,

Miss Taylor Baird
