

Science Club

Join Mrs. Savo in the library and become a Science Olympiad! Science Club members will have the opportunity to study and learn about 15 different Elementary Science Olympiad events, and then have time to practice for the PMSD Elementary Science Olympiad competition in April!

**All sessions are on Tuesdays & Thursdays from 7:30-8:40 AM.
Meetings will be held from October 7, 2025 to April 23, 2026.**

Interested? Please complete the attached forms and all other required information and return them to **Mrs. Savo in the library by Friday, September 26.**

Please note:

- **Class Dojo will be used for ALL communication.**
- Space is limited! Depending on student enrollment, your child may be scheduled to attend only once a week.
 - Once all spots are filled, students will be placed on a waitlist.
- You will be notified if you are or are not in the club by **Wednesday, October 1.**
 - Students must follow all rules and expectations.
- **Attendance is important, please communicate any specific schedule needs with Mrs. Savo.**

If you have any questions or concerns, please contact Mrs. Savo at vsavo@pmsd.org or call (570) 839-7121 ext.60400

Please keep the top portion of this note and send the bottom portion BACK to Mrs. Savo in the library.
