# Eagle Lake PTO Newsletter

Eagle Lake Elementary PTO has started planning some really great activities for the 2025-2026 school year. Thanks to our amazing families, the Eagle Lake Fund Run in October 2024 raised \$15,000! Amazing! With these funds, the students were able to celebrate their earnings with popcorn and pajama parties. They were even able to tape Mr. Hansen to a chair and throw paint on him! The funds raised helped enrich Eagle Lake Elementary in many ways, including:

- Provided over \$6,000 in field trip funds
- \$250 per teacher to use for their classroom
- New Gaga Ball Pit Mat for more use during the year
- Winter Holiday school dance
- Family Bingo night with many prizes
- School Carnival
- Teacher lunch/supper during school conferences
- Donuts, popcorn, and more for classroom fun!
- Teacher & Staff Appreciation Week
- Stocked the Teacher Lounge monthly with treats & coffee
- Supported the student's school store
- Card My "School" Yard first & last day of school

We are busy planning for this year's **FUND RUN**. We look forward to reaching & exceeding our goal of \$15,000. Envelopes will be sent out soon and we look forward to a fun day in October!

**SAVE THE DATE: Friday, October 10th**

## GET INVOLVED: UPCOMING ACTIVITIES

Want to volunteer, but not able to attend PTO meetings? We've got you covered!

Here are some upcoming events that PTO is planning. If you are interested in volunteering or if your company would like to sponsor any school activities, please email us! We will add you to our volunteer list and keep you updated on events coming up. More to be added as planning continues!

The annual Fund Run is our largest fundraising event for our school. Students will be coming home with envelopes and we will also have a link you can easily share with grandparents, neighbors and family to help meet our goal of raising \$75 per student.

Other opportunities include facilitating Hy-Vee receipts, Box Tops, and serving on the school counseling advisory board.

# VOLUNTEER OPPORTUNITY DESCRIPTIONS

Getting involved with Eagle Lake PTO is a great way to meet new parents & build a relationship with teachers and staff. We would love to have as much parent/grandparent/family involvement at our school as possible! The PTO group works hard on planning events but can't be successful without the generous help from our parents & family!

## Carnival Committee

The PTO Board begins to plan for the carnival typically beginning in January. Monthly meetings run longer in order to devote the time needed to adequately plan. Talk to one of the board members about joining the meetings and/or joining a subcommittee (games, food, etc.)

## Yearbook Team

Volunteer to take photos of school events for the yearbook. Please reach out to Sarah Summers if you are interested in learning more!

## Fundraising Team

Volunteer to plan & facilitate different fundraising events like Hy-Vee Cash for Kids, BoxTops, Chipotle or Buffalo Wild Wings dining nights.

## Conference Meals for Teachers

Facilitate meals for teachers during conferences. Determine what will be served, who will cater, what costs will be, and attain volunteers to bring in certain items and set up/clean up.
