

Teacher New Hire Schedule

FY 2025-2026

Experience Credit: Prior job-related experience may be granted at \$350 per year of related experience. All prior related experience must be presented and considered at the time of initial placement. Prior experience will not be considered after initial placement.

Education Credit: Compensation at a rate of \$700 per every 15 credit hours may be granted for job-related coursework completed within the last 10 years above the required education requirement of a Bachelor's degree. All credits must be presented and considered at the time of initial placement; credits completed prior to hire date will not be considered after initial placement.

Classroom Site Fund*: There are two compensation structures teachers may be eligible for as noted below:
Teach OII: All employees are eligible for the Teach OII compensation depending on certification status referenced below. The amount of eligible classroom site fund is prorated based on hire and paid as a stipend in accordance with the employee's work calendar.
 Certified Teacher: \$5,350
 Classified Instructor: \$4,350
High Growth Component: In addition to the above compensation, there is an additional component of compensation for eligible teachers whose student achievement growth data is higher than 60%. The amount of compensation for this component may vary depending on the available funds and the eligible teachers. More details of this plan can be found in the BESD Performance Pay Plan.

*Classroom Site Fund is currently set to expire in fiscal year 2041.
