

Manhattan Rotary Club Scholarship Application

“Service Above Self”

The Manhattan Rotary Club is dedicated to supporting the Manhattan Community, including students in their senior year who are planning to pursue postsecondary education, including college, university, vocational, and technical schools. Our main focus is community service and, therefore, emphasis for scholarship consideration is placed on those students who show readiness for higher education, but also have participated in community service, particularly but not exclusively, Rotary service.

If interested in a Rotary scholarship, please complete the following application, and submit before May 1, 2026, for consideration by the Manhattan Rotary Scholarship Committee. Application can be submitted by sharing the completed electronic form to cherylannecurry@gmail.com, or the completed hard copy to your school counselor, by the deadline.

Full name

Mailing Address

City

State

Zip

High School

Intended postsecondary school/training
