WESTPORT SCHOOLS PTA MEMBERSHIP & DIRECTORY SIGN-UP

Dear Westport Families,

Each Westport school PTA is a separate, non-profit organization that provides financial support and parent volunteers for a wide range of programs, services and social events that enrich our children's educational experience. By registering with AtoZ Connect, you are joining the school's PTA as a supporting member. Membership does not require volunteering but does fund the enrichment programs at your school provided by the PTA. We cannot do this without the support of all parents, teachers and staff within each school community.

Please follow the steps below and SIGN-UP today!

Access to the online directory comes with your PTA membership and is available upon registering and providing payment to each school where you have a child registered.

Move between schools within the app by tapping on the menu icon in the upper left hand corner of the landing page. Tap the "switch" icon at the top to see your list of options. (You need an AtoZ Connect account created and verified at each school for them to appear in this list.)
