Welcome Back to School!

What an outstanding second week of school! Each class has quickly become a beautiful community of learners, forming relationships and trust.

Soccer practices have begun! Thank you to Jennifer Chaffee, our Athletic Director, for organizing the program this year. You can find the September soccer schedule on our [website](#), however, please know that it is subject to change. Please make sure coaches have your contact information for any changes/updates as weather in Vermont does mean some unexpected changes are likely to occur. K-2 Instructional group will start tomorrow! Thank you so much to all of our volunteer coaches; you are amazing people!

Next week kindergarten through 5th grade will travel to the **Tunbridge World's Fair Agricultural Education Day on Thursday, September 11th**. This is always an exciting day for ALL!

We are planning our annual **Grandparents' Day** lunch for **Thursday, October 9th**. Please watch your email for more information and the sign-up form. As every year, we look forward to seeing our students' grandparents join us for this special day.

Waits River Valley School will be soon sending out the Meadows Farm fundraiser. This is an all-school fundraiser which we use to help off-set the costs of Grandparents' Day and our Winter Feast. We thank you in advance for your support!

Next week will be a full week of school! I hope you all have an outstanding weekend!!

Soccer Concessions

The FOW will start selling concessions on Monday, Sept. 15th, cash only, opening at 4:00 PM.

The following items will be available to purchase: water, small Gatorade, variety of soda, hot dogs, popcorn, candy, and small bags of chips.

The FOW will also be selling 50/50 raffle tickets (\$1/ticket or \$5/10 tickets) at the concession stand for each game.

The After-school Program will begin this Monday, September 8th. The program runs every day from 3:00-5:00 PM and costs \$10/scholar/day.

The program will be open to pre-kindergarten through 8th grade. Please go online to our WRVS website, www.wrvschool.org and complete the sign-up paperwork. If you are coming every week-specific days...do that paperwork once. If your scholar will attend on an occasional basis- please complete the paperwork, the Friday before the coming week.

Payment is due weekly, and we will help any family complete the subsidy paperwork for those qualifying families. TAKE ADVANTAGE of this great program, staffed by your teachers, AND the opportunity to not have to pay for it (subsidy).

Please reach out to Lori Bean-McIntire, Lisa Thompson, Abby Tyson, Brooke Horniak or myself with anything you need assistance with (especially completing the State subsidy paperwork).

WRVS COMPOST NEWS

The compost that the school has produced is now up for grabs! It is well seasoned and hand crafted. Our goal is to share this amazing resource with our communities, we don't produce enough for large projects, but we encourage you to come and access it for those small projects around the house. Please plan to bring buckets with you to fill.

If anyone has manure, sawdust or hay they'd like to contribute to the making of the compost, that would be a big help.

Please contact our Building Operations Supervisor, Patrick Butler, if you are interested either by phone, 802-439-5534, or email patrick.butler@oesu.org.
