

For Parents: What is ?

ClassLink is an easy way for your student to access all of the learning applications they use at school. Students access all of their learning applications with a single username and password. ClassLink makes it easier for students to log on so that they have more time to learn and teachers have more time to teach.

How does my child access ?

1. Go to launchpad.classlink.com/redclay or click the ClassLink link from your school's website.
2. Log in with your Red Clay Google Account Credentials.
3. Access your assigned applications and curriculums.

For more details or log on information, contact your child's teacher.
