Dear Parents/Guardians:

In an effort to celebrate and recognize those students who consistently complete their homework and display exceptional behavior, we are continuing with the quarterly incentive program. Students in **grades 3 - 5** will have the opportunity to earn a special incentive that will occur at the end of each quarter by completing school assignments and following the student code of conduct.

Each incentive will occur for an approximate 1.5 hour time period where students will have the opportunity to sign up for activities led by our teachers. These activities may include movies, games, sporting events, music, arts and crafts, and more. For the **4th Quarter**, students will earn the privilege of participating in the entire Olympic/Field Day event held in May. In the event that a student loses the incentive for the 4th quarter, the student will not be allowed to participate in the first 1.5 hours (9:00am-10:30am) of Olympic/Field Day.

Please review the details that qualify your child for our incentive per quarter:

Homework: 4 or less missed homework assignments.

Behavior: No more than one Focus discipline referral unless that one referral is an out of school suspension (OSS), which automatically would disqualify a student from participating.

These efforts will continue to create a positive school climate where every student can succeed. My faculty and I feel this program helps to enhance that belief. Thank you in advance for your continued support. As always, if you have any questions or concerns, please reach out to me via phone or email.

Respectfully,

Mr. Frank D'Agostino III
