A. Presentation of School Improvement Plans – Principals

Principal Gregg Desto of DMS went over a few highlights:

- Under goal #1, due to the good work of the DCTA, School Committee and Superintendent Lamarche, it was negotiated into the newest agreement that every teacher will teach an intervention or enrichment block during the course of the day.
- Under goal #2, they are looking to bring back the volunteer mentoring program to connect at-risk students with go-to adults.
- Under goal #2, they would like to do a school climate survey to gain insight into students' feelings and needs at school.
- Under goal #3, they would like to research and consider using a school wide communication app.
- Under goal #3, each grade level team will create one event for which families are invited

Assistant Principal Tammy Allison-Martin of CMS went over a few highlights:

- Under goal #1, they will be doing interventions and enrichments based on data and student needs.
- Under goal #2, they implemented a positive behavior intervention system with the Grizzly Box.
- Under goal #2, they want to assemble a school safety team to review current safety protocols, building security, emergency response plan, supervision procedures and communication systems. They would like to work with local police and fire departments to get recommendations for improvements also, assemble a student advisory group to get student input, then gather all the information and create an action plan with deadlines.
- Under goal #3, they would like to increase their community partnership by having each grade level complete a community project. They have partnered with both the Charlton Public Library and the Charlton Recreation Department this past year and are hoping to expand their partnerships for next year.

Member of the DES School Council went over a few highlights:

- Under goal #1, common planning time that will be worked into schedules. That will allow all teachers to collaborate and become the architects for the learning experience.
- Under goal #1, common writing tasks across all grade levels.
- Under goal #1, Lighthouse classrooms, looking for beacons of educational innovation, ways of pushing students further, not only at DES but beyond.
- Under goal #1, invite community professionals to Town Hall meetings to share their careers and host an annual college day.
- Under goal #2, Enhance branding and marketing around our Top Dog core values, mission & vision.
- Under goal #2, create a Youth Leaders program to develop capacity around student leadership.
- Under goal #3, conduct regularly scheduled data-dives with teachers to reflect on student achievement and enhance instructional outcomes
- Under goal #3, build our capacity around personalized learning and technology integration to enhance instructional outcomes

Principal Olson of Heritage School went over a few highlights:

- Under goal #1, put a new focus on providing students the opportunities they need to be successful.
- Under goal #2, data dives to make sure students get the help they need both in school and outside of school.
- Under goal 3, increase and strengthen volunteerism school wide
- Under goal 3, Increase opportunities to collaborate with Charlton Elementary School and Middle School. Ex. Using Middle School students to assist in classes for the last 45 minutes.

Principal Jenn Desto of Mason Road went over a few highlights:

- Under goal #1, partner with community organizations and early childhood providers to expand Pre-K enrollment.
- Under goal #2, build staff capacity in trauma-informed practices to create emotionally safe and supportive classrooms.
- Under goal #2, provide annual PD for all staff on trauma-informed care and Adverse Childhood Experiences
- Under goal #2, implement school-wide trauma-sensitive strategies.

Principal Laura Ramos of CES went over a few highlights:

- Under goal #1, Enhance student academic outcomes by strengthening instructional practices through targeted professional development, data-driven decision-making, collaborative planning, and the integration of engaging, developmentally appropriate instructional strategies.
- Under goal #2, foster a safe, inclusive, and supportive school environment that promotes student well-being and belonging through intentional classroom practices, staff training, and implementation of social-emotional learning strategies.
- Under goal #3, improve school operations and resource management by leveraging data-driven decision-making, ensuring efficient use of staffing and resources, and maintaining safe, functional, and future-ready facilities.

Principal Elwell of SHRHS went over a few highlights:

- Under goal #1, conduct a comprehensive curriculum inventory across all content areas and pursue HQIM.
- Under goal #1, utilize student achievement data and the UDL principles to develop purposefully planned instruction.
- Under goal #1, develop and implement a multi-tiered system of supports to deliver high impact intervention programs to accelerate learning during the school day
- Under goal #1, offer opportunities for interventions and credit recovery outside of the school day, such as after school or during breaks.
- Under goal #1, Provide access to rigorous college prep courses for all students by expanding inclusive, supported classes.
- Under goal #1, Accelerate opportunities for career exploration, work-based learning, and post-secondary pathways through internship and apprenticeship opportunities.
- Under goal #2, Support and build capacity of all staff to implement affirming, welcoming, and trauma-informed practices.
- Under goal #2, provide a continuum of mental and physical health services for students and families at school and beyond, where applicable.
- Under goal #3, build capacity of staff and school teams to use data to improve student achievement, and NEASC-driven school improvement initiatives.
- Under goal #3, Upgrade and maintain the facility in order to maximize student learning, prioritized by areas of need.

Laura Ramos Principal --- lramos@dcrsd.org

Dear Marianne,

It is with great enthusiasm and admiration that I nominate Susan Pucci for the prestigious Quo Vadis Educator Award. As a dedicated special education teacher at Charlton Elementary School, Sue exemplifies the highest standards of excellence in education. Her unwavering commitment to her students, colleagues, and the broader school community makes her a truly deserving recipient of this honor.

Sue's dedication and passion for teaching are evident in her daily interactions with students. She tailors instruction to meet the diverse learning needs of each child, ensuring that every student feels supported and empowered. Her deep understanding of her students' needs, coupled with her compassionate and patient approach, fosters a nurturing environment where all children can thrive.

Beyond her classroom, Sue goes above and beyond to serve the school community. She is a mentor to new teachers, offering guidance and support to help them navigate the challenges of special education. She continually innovates and adapts to new educational practices, demonstrating resilience in the face of change and an eagerness to embrace new methods that benefit her students.

Sue's unwavering dedication extends beyond her professional responsibilities. She volunteers her time to organize school events, advocate for inclusive education, and provide assistance wherever it is needed. Her kindness, patience, and commitment to excellence set a benchmark for all educators to follow.

For these reasons and many more, I wholeheartedly endorse Sue Pucci as the Quo Vadis Educator Award recipient for Charlton Elementary School. Her impact on students and colleagues alike is immeasurable, and she truly embodies the spirit of this esteemed recognition.

Sincerely,  
Laura Ramos  
Principal  
Charlton Elementary School

**Michelle Hooper, Kindergarten Teacher**

Since joining the Dudley-Charlton Regional School District in 2007, Mrs. Michelle Hooper has consistently demonstrated an unwavering commitment to student success and professional excellence. Beginning her career as a Title I teacher at Mason Road School, she quickly transitioned to first grade, serving as the seventh section teacher the following year. In 2009, Mrs. Hooper found her true passion in Kindergarten, where she has remained a steady and inspiring presence in Room 35.

Over the years, Mrs. Hooper has actively pursued professional growth, earning her SEI endorsement and a Master's degree in Literacy. Her teaching licensure now includes PreK–2, Grades 1–6, ELL, and Reading Specialist certifications—testament to her commitment to meeting the diverse needs of all learners.

What sets this educator apart, is Mrs. Hooper's deep passion for targeted student interventions. Her comprehensive knowledge spans not only ELA and math but she also incorporates occupational therapy strategies—enabling them to support students with a holistic and well-rounded approach.

A creative and forward-thinking professional, Mrs. Hooper continually seeks innovative ways to enhance learning opportunities, including exploring and securing grant funding to enrich her classroom and grade-level initiatives. Her dedication, innovation, and student-centered mindset make her a valued member of the Mason Road School community and a model of excellence in education.

This evening, I share with profound sadness that we continue to mourn the unexpected loss of Michael Sklarz, a treasured freshman student at Shepherd Hill. On behalf of the Dudley-Charlton Regional School District, we extend our deepest condolences to the Sklarz family. The pain of losing a child is unimaginable, and our hearts are with them during this time of sorrow.

Michael's passing has deeply affected his family, his friends, his classmates, and the entire school community. We recognize that grief is deeply personal and that each of us processes it in our own way. In this moment, and in the days ahead, we remain committed to surrounding the Sklarz family and our community with compassion and unwavering support.

This is a heartbreaking loss. Please join me in keeping the Sklarz family in your thoughts and in holding space for one another as we navigate this grief together.

## Introduction to the Quo Vadis

---

Since 1961, the Quo Vadis Club of Webster and Dudley has made contributions to our communities by supporting excellence in education. Specifically, Quo Vadis has contributed well in excess of one quarter of a million dollars over the **47-year history** of the Dudley-Charlton Regional School District. Quo Vadis has achieved this goal by awarding scholarships to students, grants to outstanding teachers and by providing funding for the First Honors program at Shepherd Hill Regional High School.

The Quo Vadis Educator Award is presented to an educator who has demonstrated excellence in education. ***This person is recognized by their peers as a "benchmark and a beacon" of those qualities that characterize our most accomplished educators.***

Among the qualities which are sought

- Dedication and passion for teaching
- Concern for students and understanding for their needs
- Compassion
- Service above and beyond the call of duty
- Ability to adapt and innovate to challenges and changes
- Willingness to assist and/or mentor peers
- Patience

## 2025 Recipients

Michelle Hooper – Mason Road Elementary School  
Susan Pucci – Charlton Elementary School

Tonight, marks the beginning of a new tradition, one that I hope continues for years to come, as we take a moment during a School Committee meeting to publicly recognize a truly remarkable group: our retirees.

Now, deciding to retire is no small thing. It takes deep reflection, a strong sense of timing and possibly a countdown app on your phone. For those being honored tonight, you've made the bold, brave, and well-earned decision to trade in bells, buses, and duties for quiet mornings, travel plans, and perhaps a newfound passion or just not setting an alarm.

But in all seriousness, the staff we recognize this evening have made a lasting impact on the Dudley-Charlton Regional School District. The range of roles, years of service, and unique contributions they've made can't be fully captured in a single evening, but we will try.

To each retiree: thank you. Thank you for showing up on the hard days and for giving your time, your talents, and your compassion to our students. Thank you for being part of a profession that asks for everything and still somehow manages to give even more.

As we call on you, your building principal will say a few words, know that this is more than a farewell. It's a celebration of all you've given and a wish for everything joyful ahead in this next chapter.

I want to sincerely thank the voters of Dudley and Charlton for your support of the DCRSD FY26 school budget. Your continued investment allows us to provide students with the high-quality education and resources they deserve.

Looking ahead, our focus remains on responsible planning and communication. With an updated 5-Year District Improvement Plan, renewed 5-Year Technology Plan, 5-Year Curriculum Development and Review Plan, and a 10-Year Capital Improvement Plan in place, we are well-positioned to align our goals with the evolving needs of our students, staff, and facilities.

We are deeply grateful for your trust and support. Together, we will continue to build a systemically strong and sustainable future for the Dudley-Charlton Regional School District.

Yesterday, Tuesday, June 10, 2025 has become one of my favorite events of the year at Heritage Elementary School. This year 21 students participated and were recognized for their success the packed library. Heritage staff and Principal Olson should be recognized for their support of the Heritage IMPACT program.

As a reminder, IMPACT was started in 2006 by Ms. Donna Morin, Ms. Lorinda Allen and Mr. David Deremian, and is a great example of engagement, self-regulation, executive functioning, expression and communication. As I have shared in the past, it is a remarkable celebration of students and a gem of a commitment by Ms. Amy Paquette and Heritage staff Ms. Ann Marie Clem and Ms. Patricia Harkins. Their commitment to students is worthy of public recognition and celebration.

---

Lastly, as a reminder the last day of the 2024-2025 school year is Monday June 16, 2025. This is an early-release day for all students.

## Charlton Elementary School Improvement Plan 2025-2028

This plan was created with the help of our CES School Council. The following individuals made up our council:

Jennifer Houghton  
Holly Provost  
Gianna Gentilucci  
Felisha Martin  
Madison Prescott  
Anthony Aube

### **Mission Statement**

Charlton Elementary School is committed to educational excellence and the success of every student. In order to ensure the social-emotional, physical and intellectual development of all children, we will provide a creative and nurturing environment.

## SIP Goal #1: **Academic Excellence**

**Objective:** Enhance student academic outcomes by strengthening instructional practices through targeted professional development, data-driven decision-making, collaborative planning, and the integration of engaging, developmentally appropriate instructional strategies.

| Action Step                                           | Person Responsible                  | Measure for Success                                  | Timeline             |
|-------------------------------------------------------|-------------------------------------|------------------------------------------------------|----------------------|
| Provide professional development in literacy and math | Assistant Superintendent, Principal | Attendance logs, feedback, improved student outcomes | Yearly (Fall/Spring) |
| Use data to inform instruction                        | Teachers, Principal                 | Assessment data, meeting notes                       | Every 6–8 weeks      |
| Strengthen PLC collaboration and planning             | Principal, Grade-Level Teams        | PLC agendas, intervention forms                      | Bi-weekly            |
| Integrate play-based centers with academics           | Teachers, SPED Coordinators         | Observation checklists, student engagement           | Ongoing              |

## SIP Goal #2: **Wellness and Belonging**

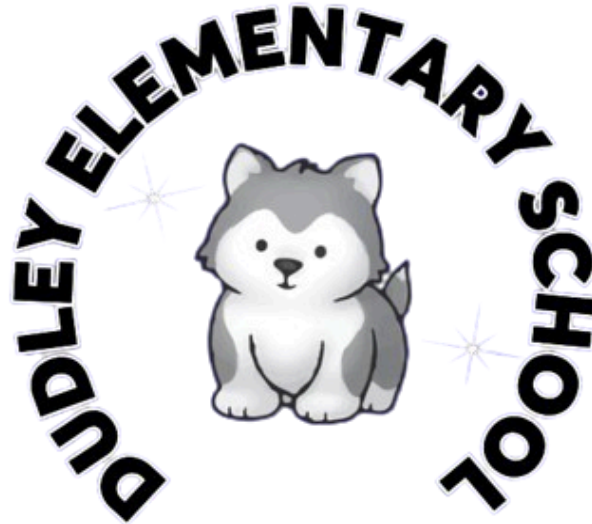

**Objective:** Foster a safe, inclusive, and supportive school environment that promotes student well-being and belonging through intentional classroom practices, staff training, and implementation of social-emotional learning strategies.

| Action Step                                                        | Person Responsible                  | Measure for Success                          | Timeline                      |
|--------------------------------------------------------------------|-------------------------------------|----------------------------------------------|-------------------------------|
| Create inclusive and welcoming classrooms                          | Teachers, Principal                 | Walkthrough feedback, family/student surveys | Annually (reviewed quarterly) |
| Train staff in trauma-informed and culturally responsive practices | Assistant Superintendent, Principal | Training completion, climate data            | Annually                      |
| Implement SEL curriculum (e.g., Zones of Regulation)               | Counselor, Teachers                 | Student SEL assessment, implementation logs  | Weekly lessons                |
| Build calming corners and sensory areas                            | Teachers, Support Staff             | Usage logs, classroom walkthroughs           | By end of each school year    |
| Teach weekly SEL lessons                                           | Teachers, Adjustment Counselor      | Lesson schedules, behavior tracking          | Weekly                        |

### SIP Goal #3: **Operational Effectiveness**

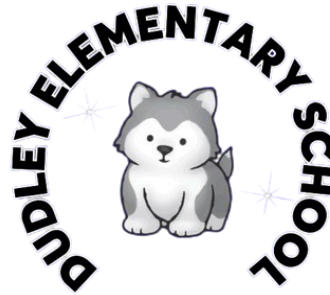

**Objective:** Improve school operations and resource management by leveraging data-driven decision-making, ensuring efficient use of staffing and resources, and maintaining safe, functional, and future-ready facilities.

| Action Step                                 | Person Responsible             | Measure for Success                  | Timeline                          |
|---------------------------------------------|--------------------------------|--------------------------------------|-----------------------------------|
| Establish school data team                  | Principal, Grade-Level Leads   | Team rosters, meeting agendas        | By Fall 2025                      |
| Conduct regular data review cycles          | Principal, Counselor, Teams    | Adjusted interventions, action plans | Every 6–8 weeks                   |
| Use data for staffing/resource decisions    | Principal, SPED Coordinator    | Alignment of resources to needs      | Quarterly                         |
| Conduct annual facilities and tech audit    | Principal, Custodian, IT       | Audit report, maintenance logs       | Every Spring                      |
| Develop long-term facility improvement plan | District Leadership, Principal | Published facilities plan            | By Spring 2026, reviewed annually |

Dudley Charlton Regional School District  
School Improvement Plan  
2025-2028

### ***Our Dudley El Mission***

Our mission is to provide a joyful and inclusive learning environment where every student can thrive academically, socially, and emotionally.

### ***Our Dudley El Vision***

#### ***At Dudley Elementary School,***

- All students are known and valued,
- Learning experiences are relevant, real-world & interactive,
- Individualized supports enable students to excel at grade level or beyond.
- Partnerships are formed with families and caregivers to bridge school and home.

#### ***As a result of their education at Dudley Elementary School, students will:***

- Attain academic knowledge and skills,
- Understand and value themselves,
- Understand and value others,
- Engage with the world...

#### ***...So that they can:***

- Be curious and creative,
- Shape their path,
- Feel connected,
- Be empowered.

The Dudley Charlton Regional School District's 2025–2028 District Improvement Plan is a strategic roadmap aimed at promoting equity, academic excellence, and student well-being across all schools in the district. Guided by our mission and vision, this plan outlines targeted actions and measurable goals in three core focus areas:

---

### 1. Academic Excellence

- **High-Quality Instruction:** Implement a district-wide curriculum adoption plan and a multi-year professional development strategy emphasizing inclusive practices.
  - **Eliminating Opportunity Gaps:** Expand PreK access, enhance intervention programs, and provide extended learning opportunities beyond the school day.
  - **College and Career Readiness:** Broaden access to rigorous coursework and increase participation in internships and apprenticeships.
- 

### 2. Wellness and Belonging

- **Welcoming Learning Environment:** Foster trauma-informed, inclusive practices and culturally responsive teaching.
  - **Whole Child Well-Being:** Strengthen partnerships with behavioral health providers and promote wellness programs district-wide.
  - **Strong Social-Emotional Skills:** Expand SEL-focused professional development and implement restorative practices to support school climate and student growth.
-

### 3. Operational Effectiveness

- **Data-Based Decision Making:** Conduct regular data reviews and develop accessible performance dashboards to drive continuous improvement.
  - **Modernizing Infrastructure:** Upgrade technology, security, and facilities to enhance learning and ensure safety across all campuses.
- 

This plan reflects our commitment to preparing every student for success through thoughtful investment in teaching, support services, and infrastructure.

First, I would like to thank the members of the Heritage School Council for their dedication to the students and staff of The Heritage School. Their guidance throughout this school year was very much valued and appreciated.

Our plan for this upcoming school year is a two year plan to guide us through the 2025-2027 school years. Our plan is an update of our 2022-2023 School Improvement Plan to align with the District Improvement Plan. There were several items that were identified as complete and were amended or removed, while other items remained on the plan due to their importance to our student success.

Our plan is focused on three very important goals for the success of students as you will see below. Our first goal is a teaching and learning goal. The basis for this decision is rooted in our identity as an academic institution. We are committed to continuous improvement, and as such, we must consistently seek opportunities to strengthen our teaching practices and enhance our curriculum to better serve all students. Our second goal focuses on Social Emotional Learning (SEL), aligning with the District Plan and our ongoing commitment to student wellness and belonging. We are actively exploring a Tier I SEL program that can benefit all students by fostering emotional intelligence, resilience, and positive relationships. Additionally, we are identifying targeted interventions to support students who become dysregulated, ensuring they are given appropriate opportunities to self-regulate and return to the classroom prepared to engage in learning. Our third goal centers on family communication and community engagement. We aim to return to the strong partnerships we had prior to the pandemic by creating more opportunities for collaboration with families and community members. Research consistently shows that when schools actively engage families and the wider community, student success increases. Strengthening these connections will help foster a more supportive and inclusive learning environment for all. We have set a plan that will guide all decisions we make next school year for the benefit of all of our students and families.

Dear Members of the School Committee:

The members of the Dudley Middle School Council (listed below) and Faculty are proud to share with you our Improvement Plan for the 2025-2026 school year. This plan represents many hours of collaboration among faculty members, administrators, family and community members. While there are many things that we do well and many areas in which we would like to improve, we believe that this plan serves as a guide for the most important actions we intend to take as a school community in the coming year.

As we present this plan to you, we do so with gratitude for the support of Superintendent Lamarche and his team, as well as for the guidance and resources provided by the School Committee and the Town of Dudley.

The future is bright at Dudley Middle School.

Sincerely,

Gregg Desto, Principal

**Shepherd Hill Regional High School**  
**School Improvement Plan**  
**2025-2028**

The main goal and sub-goal areas outlined in this multi-year plan are derived from the Dudley-Charlton Regional School District (DCRSD) Improvement Plan. The goals are also informed by the faculty's New England Association of Schools and Colleges (NEASC) self-study process, faculty school improvement committees, and the Shepherd Hill School Council. Responsible parties will benefit from professional development and other resources that the district provides as a result of the strategic alignment of priorities.

**1. FY2026 Budget Creation Update:** The School Committee-approved FY2026 Budget will be was voted and approved by both Dudley and Charlton on May 19, 2025. Dudley approved the FY2026 Budget at a greater than 80% approval. Charlton approved the FY2026 Budget at a greater than 90% approval. These percentages are meaningful in the sense that they reflect a strong level of support from our member communities.

**2. FY2024 Audit Update:** Final FY2024 Financial Statements are to be finalized in June. A managing partner from Dudley-Charlton RSD's audit firm is expected to provide results to the School Committee during the next School Committee meeting.

### **Request for Additional Special Education Teacher at DMS**

Due to the number of current fourth grade students transitioning to Dudley Middle School, the therapeutic learning center (TLC) program at Dudley Middle School is projected to serve 13 students at the start of the 2025-2026 school year. This projection does not account for any additional students who may enroll over the summer. While several students are transitioning from the DES TLC program, there is only one classroom at DES. We would not be able to move that teacher to DMS as we need to maintain the DES program for current and future students.

At this time, there is one TLC classroom at DMS. A total of 13 students exceeds an appropriate capacity for a substantially separate therapeutic program, given the intensity of student needs and the individualized supports required. In order to maintain a safe, effective, and supportive learning environment, I am requesting the addition of a second special education teacher for the program for the 2025–2026 school year. This would allow two TLC classrooms at DMS.

The source of funding is through the hiring process and the variance will be covered by Circuit Breaker.

This additional staffing will allow us to appropriately support student needs and continue to provide high-quality programming within the TLC.

### **Request for Additional Intervention Teachers at CES and HS**

Currently, our district employs eight Title I-funded interventionists who are shared among our four elementary schools. While schools and students in Dudley qualify for Title I services, Charlton schools do not, due to the funding formula based on the percentage of students who qualify for free and reduced lunch. Title I services are directed toward supporting the lowest-performing 20% of students in reading and math.

For the past three years, the state has allowed Charlton Elementary School (CES) and Heritage School to continue receiving Title I services under a "grandfathered" provision. However, the state has now determined that these two schools are no longer eligible to receive Title I-funded support.

As a result, CES and Heritage will be left with just one Reading Specialist each to address the needs of all students across grade levels—and no math interventionists at all. This loss comes at a critical time, as we continue to strengthen our implementation of a multi-tiered system of supports (MTSS) districtwide. Removing targeted math support from two of our elementary schools would significantly hinder student progress and place an undue burden on our classroom teachers.

Therefore, I respectfully request the addition of one math interventionist position each for Charlton Elementary School and Heritage School. These positions would be funded through the hiring process and the variance will be covered by School Choice.

Adding these positions will ensure that we maintain equitable access to high-quality academic supports and uphold our commitment to meeting the diverse needs of all students.

### **Request to Adopt Frog Street Curriculum for Preschool/PK**

At the March 5 school committee meeting, Assistant Superintendent True and I shared that we established a preschool curriculum committee in February to address the absence of high quality instructional materials in our preschool program. The committee reviewed Launch PK from Teachtown, Experience Curriculum, Frog Street, and Creative Curriculum. We also obtained and reviewed sample materials from each of these vendors..

I am happy to report that the committee reached a unanimous decision that Frog Street is the curriculum we would like to adopt for our preschool program in the Dudley-Charlton Regional School District. Frog Street is a comprehensive, research-based curriculum aligned with state standards across all developmental domains. It is designed to support all learners in an inclusive, play-based environment and integrates instruction in literacy, mathematics, STEAM, physical development, and the creative arts.

Frog Street provides structured weekly lesson plans, embedded instructional strategies, professional development opportunities, and digital teacher resources. It includes two distinct curriculum tracks: one for 3-year-old students and one for pre-kindergarten students aged 4–5. This structure aligns seamlessly with our district's programming, in which 3-year-olds attend morning sessions and 4–5-year-olds attend in the afternoon.

Assistant Superintendent True and I would like to express our sincere appreciation to the Preschool Curriculum Committee for their thoughtful and diligent work. Their commitment to ensuring high-quality instruction for our youngest learners has been invaluable throughout this process. The Preschool Curriculum Committee includes all 4 of our preschool teachers - Terri Nolette and Samantha Johnson from Mason Road School; as well as Holly Provost and Erin Goyette from Charlton Elementary School. The remaining members include both of our early childhood principals, Mrs. Desto from Mason Road and Mrs. Ramos from Charlton Elementary School as well as Andrea Ostrosky, special education coordinator for preschool and Mason Road.

We are excited about the opportunities this curriculum will provide for our students and grateful to the committee for their dedication to this important work. At this time, we request that the school committee approves the adoption of Frog Street as the curriculum for our preschool programs.

PARENT/GUARDIAN GUIDE TO ADDRESS CONCERNS IN THE DUDLEY-CHARLTON REGIONAL SCHOOLS

~~General Complaints from the Community~~

**KE**

The ~~school~~ Committee realizes that in order to continuously attempt to create and maintain schools that reflect the public's wishes, a system needs to be in place for receiving, considering and acting upon complaints from ~~the community~~ parents/guardians.

Although no member of the community will be denied the right to have ~~his/her~~ their ~~complaints concerns~~ heard ~~and investigated~~, ~~he/she~~ but, they will be referred through the proper ~~administrative~~ channels for solution before ~~investigation or~~ action by the Superintendent and/or Committee is considered. Exceptions will be made when the complaints concern Committee actions or Committee operations only. Anonymous complaints will be disregarded.

When a parent/guardian determines that there is a school-related concern that needs to be addressed with school officials, the sequential steps outlined below should be followed. Dudley-Charlton Regional Schools seeks to work collaboratively with the find parent/guardian.

~~The school committee believes that complaints are best handled and resolved as close to their origin as possible, and that professional staff should be given every opportunity to consider the issues and attempt to resolve the problem. Therefore, the proper channeling of complaints will be as follows:~~

1. The parent/guardian should address the concern with the staff member most directly involved, (i.e., a question regarding the content of instructional materials or homework assignments should be shared with the classroom teacher).
2. If the matter is not resolved at this level, the parent/guardian may bring the concern to the attention of the Principal.
3. If the matter continues to remain unresolved, the parent/guardian may bring the concern to the attention of the Superintendent and/or Assistant Superintendent.
4. If the matter still remains unresolved, the parent/guardian may bring the concern to the attention of the School Committee by directly contacting the School Committee Chairperson and requesting appropriate action.
5. Anonymous complaints will be disregarded.

~~Level 1—Teacher (move to level 2 if applicable, non-applicable or unresolved);~~

~~Level 2—Principal or principal's designee and teacher (move to level 3 if unresolved)——~~

~~Level 3—Superintendent, principal and teacher (move to Level 4 if unresolved and if applicable)~~

~~Level 4—School Committee (if applicable);~~

The following are examples of issues that should be addressed at the level indicated. If a parent/guardian has a concern that is not listed here, the parent/guardian may call their Principal for direction to the most appropriate person.

### **1. Teachers and Specialists (e.g., Art, Music, Technology, Library, Health, and Physical Education)**

- Student homework, assignments, quizzes, test, and grading
- Course instructional materials, practices, academic progress, and extra help
- Issues related to classroom discipline, interactions with other pupils

### **2. Athletic Coaches**

- Concerns regarding athletic activities should be directed to the coach
- At the high school and middle schools, concerns should be directed to the Athletic Director

### **3. Guidance and Adjustment Counselors**

- Concerns between school and home, teacher and pupil, pupil and other pupils
- Personal matters relating to student development, behavior, or interaction with others
- Course selection and student schedules
- Course placement or career information

As one moves further along the chain of communication, the staff is less directly involved and therefore, will heed time to research the situation before they can provide a solution. If you do not hear back from the person that you have contacted within 48 hours (two school working days), it is permissible to move to the next person in the chain of communication. We do not expect concerns to go unanswered for long periods of time.

The School Committee will consider complaints only after they have been addressed at the appropriate level, as outlined above. If the Committee determines that a complaint falls outside its jurisdiction or that necessary steps in the process have been bypassed, the matter will be referred back to the appropriate level for resolution. To contact the Committee, please visit the District website. Email addresses for all School Committee members are listed under the “School Committee” section.

Complaints about school personnel will be investigated fully and fairly. However, before any such complaint is investigated, the complainant must submit their complaint in writing.

Anonymous complaints will be disregarded.

The School Committee expects the professional staff to receive complaints courteously and to make a proper reply to the complainant.

~~Upon written receipt of such complaint and all action taken thus far, the school committee and the superintendent shall confer as to whether the issue presented is one within the jurisdiction of the school committee under Massachusetts General Laws.~~

~~Complainants should be aware that the school committee does not hire, fire or discipline any school employee other than the superintendent, assistant superintendent or administrator of special needs~~

~~In the event the school committee determines that the complaint is not within its jurisdiction or certain levels have been skipped, it will be referred back through the proper channels.~~

~~If the complaint warrants discussion and/or action by the school committee, the complainant shall be informed that the issue will be placed on an upcoming agenda. The school committee will give careful consideration to the problem while affording all involved any legal rights they may have under applicable law and contract, and will inform the complainant of any action taken to arrive at a solution to the extent the release of such information does not abrogate any such right.~~
