### REMINDERS:

**Toys-** Unless we have a special event (which we will let you know about), toys should not be brought to school. If a student brings them (for BGC or another reason), they will be asked to keep them in their backpack during the school day. Sometimes students will use gold slips for a stuffed animal day or show & tell, in which case they can bring that item.

**Water Bottles-** Students should try to have a water bottle daily. Water Bottles with built in straws are preferred to help prevent spills.

**Jacket/Sweatshirt-** The temperature in the room/building can fluctuate. It is a good idea for students to keep something in their backpack in case they get cold.

### PLANNERS & DAILY FOLDERS

*Starting Aug. 29th, student planners and daily folders will be coming home every night. We would prefer families to check the planner (initial that day if possible) and empty the folder each night, then help it return to school the next day. I realize this won't always happen, but its great to start the habit and we hope this gives you a better idea of what we are doing each day.*
