

The Falcon Flyer

August 11-15, 2025

Ms. Jones's class participated in prepping the pumpkin seeds for the community garden. It takes all of us working together to make our garden grow! 🍂🍂🍂🍂🍂🍂🍂🍂

In Mrs. Alexis's class, students are working hard to master color identification in a variety of settings, from the farm to the ocean.

Students in Miss Hannah's class became the numbers! As she called them out, they worked together to form each one. Mrs. Shayna recognized outstanding behavior in kindergarten this week! 🎉

Lara Kendall kicked off this year's House initiative with excitement and unity! Four houses, one family!

We are so thankful for the generosity of Lowe's of Dyersburg! They donated buckets and lids to help us prepare our classroom emergency kits, ensuring we're ready for any situation.

Brain power in action in Mrs. Riley and Coach Tubbs's classes this week!

In chemistry, students explored a real-world application of dimensional analysis with a fun twist, "Grandma's Secret Fudge" recipe.

Education is the most powerful weapon which you can use to change the world.
