

Piper Early Childhood Screening Clinic

Do you have concerns about your child that is birth to 5 years old?

Families of young infants through age 2 can reach out to Piper Early Childhood Center, and we will connect you with Infant/Toddler Services.

The Early Childhood Screening Clinic is for children ages 3 years old to 5 year old that may have a potential delay in the area(s) of Cognitive Skills, Speech Skills, Motor Skills, Social Emotional Skills, Language Skills and Self-Help Skills.

The screening clinic is conducted by Piper Early Childhood Special Education Staff for residents of the Piper USD 203 school district.
