Important Dates**Sept. 11**

Field Day

Sept. 24

Birds of Prey

Sept. 26

Grandparents Day

Nov. 7Gettysburg
Address Due**Welcome to 5th Grade**

Hello, Fifth Grade Families. School is humming along, and we are starting to feel the rhythm of weekly planners, spelling lists, and are almost getting the hang of the science/history rotation. 😊

We've noticed a few students bringing 3-D printed items to school to trade or sell. While we love seeing their creativity and excitement, we ask that toys and 3-D printed items stay at home so that our focus during the school day can remain on learning. We'd appreciate your help in reminding your student about this. Thank you so much for partnering with us to keep our classrooms a positive and focused place for all students.

Reminder: As weather changes please have students bring a jacket with them to school.

Birds of Prey**Sept. 24****12:30-1:30**

This one-hour program includes a Bald or Golden Eagle, an owl, a falcon, and features a free-flying hawk. Students learn about the importance of different raptor species, their specially adapted tools, and their role in our ecosystems. *(Due to the size of the room this is a student only presentation.)*

Curriculum
