

EAGLE NEWS

Anderson Island Elementary

Sept 5, 2025

Good afternoon Eagle Families,

What an excellent start to our new school year! It has been such a joy to see all of our Eagles back in the building, and the excitement and smiles have set a positive tone for the year ahead.

We are thrilled to officially welcome Mrs. Friend to our Convocation (a large gathering of Eagles). While she isn't a new face—many of our students know her from the support she provided last year in both teaching and paraeducator roles—we are so fortunate to have her join our team full-time. Please continue to give her the warm Eagle welcome she deserves!

I would also like to welcome Captain Corey, our new bus driver. He is stepping in to fill the big shoes left by Mr. Rob, and we are grateful for his commitment to safely transporting our students each day. Thank you, Captain Corey, and welcome to the Eagle family!

Looking ahead, we have some exciting events next week: Music on Thursday, school pictures, and a field trip to the Farm on Friday. The year is off to a great start, and we are eager for the new adventures, learning, and fun that await us.

As we set sail into this new school year, we remain Anchored in Excellence—committed to supporting every student, every day.

Enjoy the sunshine this weekend (and if the rain comes, grab a good book and read away!).

Have a great weekend, Eagles.

I look forward to seeing you all next week.

– Mr. Miller

**Shoes for moving
& socks for
comfort everyday**

September

10 ACE Day 1:30 Dismissal

12 Photo Day & AIHS

Johnson Farm Field Trip

17 ACE Day 1:30 Dismissal

24 ACE Day 1:30 Dismissal

Notes from the Classroom

Mrs. Cunningham

The first week of school is over, and it was Amazing! Thank you for all your support at home and getting these wonderful students ready for school! This week, we focused on expectations around the school and revisited the 4 B's.

Be Safe

Be Kind

Be Responsible

Be Productive

If you get a chance, ask your student to explain what it looks like or sounds like to follow one of the B's.

Next week, we have a full 5-day week and will begin the I-Ready Reading and math diagnostic for all kindergarten to 3rd-grade students. We use this diagnostic data, along with classroom observations and assessments, to ensure that your student is receiving what they need to be successful.

Have a great weekend and see you on Monday!

Upcoming events: Picture day is Friday, Sept. 12 (in the morning) AIHS fieldtrip to the Johnson Farm (9-11:30 a.m.)

Our Schedule

Students will have Fitness Club every morning from 8-8:20, to wake up our bodies and minds for learning. Parents and siblings are welcome to join us. Students will have three 20-minute recesses (except Wednesdays). We are active outdoors every day, so having good footwear and socks to keep our feet warm, dry, blister-free, and fungus-free is essential.

Before lunch, students will have the following subjects: Reading, Math, Science, or Social Studies.

Specialist Days-Afternoons

Monday, PE

Tuesday, STEAM Science, Technology, Engineering, Art & Mathematics

Wednesday, Library

Thursday, Music with volunteers Kitt Bender & MB Camp

Friday, Outdoor Classroom & Nature Walks
