

Welcome! Getting Started

Signing up for your account

- 1 Navigate to greenwichacademy.12twenty.com
- 2 First time? Click “Sign up for an account” and use your email to sign on and create a password.

Setting up your GA Connect profile is easy and helps our Career Resource Team get to know you better and understand your career goals.

- 3 Once logged in, select profile from the left side navigation.
- 4 Add your profile photo! Hover the grey image circle and select change image.
- 5 Create your headline: let everyone get to know you and create opportunities by sharing your career aspirations.
- 6 Stay informed with the latest career resources, networking events, and job posts that align with your unique preferences! Keep your preferences up to date with industries, functions, and locations.

Job Preferences

Personalize your job search by selecting preferences in priority order
