

MEET YOUR COUNSELOR

A little about me...

I was born and raised in the central valley and I love this community. My husband and I have two daughters and two dogs. I've been in education for 13 years, but I'm new to Royal Oaks and proud to be a bear!

My favorite things...

I LOVE a good joke, the cheesier the better. You'll also often see my favorite coffee in hand, a lavender latte. But my absolute favorite thing in the whole wide world are my husband and two daughters. They are the best!

What do I do....

As a school counselor, I am here to support ALL students! My goal is that every student feel safe, connected, and happy at school. Services I provide include individual or small group counseling, schoolwide social-emotional lessons, support with emotions, big and small, as well as help navigating friendships and even issues taking place at home. Whatever it is, I'm here to help!
