

Become a member TODAY!

Why Join SEPTA? Because Your Membership Matters!

Becoming a SEPTA member is a simple but powerful way to support your child's education. Your membership dues help fund important programs, support curriculum needs, and give us a stronger voice to advocate for students and educators—locally, statewide, and nationally.

When you join, you're giving your child a voice!

The only requirement to become a member is paying your annual dues. That's it! How involved you want to be beyond that is completely up to you. You don't have to attend meetings or volunteer (though we always love seeing friendly faces!), but staying connected through SEPTA helps you stay in the loop, share your thoughts, and be part of meaningful changes in our school community. Together, we can make sure every child's school experience is as supportive and enriching as possible. Your participation helps build a strong bridge between home and school—and that makes a real difference.

We'd love to have you with us this year. Let's make it a great one—together!
