Dear Parent/Carer,

I hope that you had an enjoyable summer, it has been fantastic to have students back in school to start their Year 11. As you are aware the next nine months is going to be an incredibly important time. In Year 11 there is a team dedicated to ensuring students have the best possible chance in succeeding in their qualifications and personal development. This success relies heavily on the support you provide for your child, as such I would like to invite you to our **Year 11 Parents' Information Evening on Tuesday 16<sup>th</sup> September 2025**.

On the evening, I will outline important dates and detail the specifics of our Year 11 support strategy, discussing ways in which you as parents can also support your child in the lead up to their PPE exams, and of course the final GCSE exams at the end of the academic year.

Our strategy is bespoke to the year group and is designed with the aim of ensuring that students are both challenged to achieve their potential, and supported to make the most out of the opportunities on offer this year.

On the evening there will be an opportunity to hear from our Teaching and Learning lead, Subject Leaders in Maths and English, as well as the Head of Year who will be sharing our Year 11 teaching and learning routines for the year.

The information shared on the evening will be referenced explicitly throughout the year and this Parent Information Evening is a great opportunity for us to begin the year with a clear vision of what is upcoming in this crucial year.

I hope that you will be able to attend. The event is due to start **6:30 pm in the main hall** at Southam College.

If you have any queries regarding this or anything else related to Year 11, please feel free to email me at [martin.g2@stowevalley.com](mailto:martin.g2@stowevalley.com)

Yours sincerely

Mr G Martin  
Deputy Headteacher
