Things to do

- Check out the cafeteria and food choices
- Is the student body what you are looking for?
- Visit the dorms and bathrooms(are they suites, single rooms, community bathroom, bathroom shared by two rooms)
- Research the majors the college offers - does it have your major?
- Talk to an advisor of your major
- See the city or town the college is located in
- Go on a weekday if it is possible (you want to see students on campus!)
- Check out the public transportation options

Questions you can ask

- What is the average ACT and GPA?
- Is the ACT or SAT required for admission?
- Will I be taught by Teacher Assistants or the professor?
- Are there big lecture halls? How big?
- When do I have to declare a major?
- What security precautions, especially at night are taken on the campus and dorms?
- Is there public transportation or shuttle services available?
- Where are good places to study on campus?
- What are the weekends like? Is it a busy campus on the weekends?
- Does it have the extra-curriculars you are wanting? (greek life, club sports, etc.)
- What is the admission application process and deadline?
- Do you have any disability services offered to students on an IEP?
