

Please remember to bring the following:

- Packed Lunch (a morning and afternoon snack is provided but if you would prefer your child to have their own snack that is not a problem)
- Water bottle
- Waterproof Jacket
- Change of clothes (you never know what could happen)

Entry to Campus

If you are arriving by car, please use the south Gilsland gate and car park for drop off and pick up. During the Holiday Club, the grandstand car parks will be closed, however there will be pedestrian access.

Venues

Preschool and Primary 1 children will be based in the Willow and Sycamore room, with access by the gate to the right of the Lower Primary reception opposite the rugby pitch.

Primary 2 to Primary 7 children will be based in the Junior School Dining Hall.

All children, Preschool to Primary 7, will be based in the dining hall between 4pm and 6pm

Timings

Children can be dropped off, anytime from 8am, but we do like to start morning activities around 9.30am. The children who are booked to attend the 4pm to 6pm session should be collected from the Dining Hall. Please note children not collected by 4pm will be taken to the Dining Hall and the charge will be added to the extras account.

Activities

There will be a range of free play, crafts, baking and sporting activities taking place each day, depending on the children's interests.

Our Aim is to let children have time to be children and play. Just play, no structure, just play for its own sake. Outdoor, indoor, alone or in a group, organised or self-led, children can take control of their own time and way to play.

We have our organised activities, but the staff are on hand to facilitate whatever it is the children are interested in at that time.
