Every day, across USD 232, our teachers and staff go above and beyond to shape the lives of students and support one another. To honor this incredible dedication, the **USD 232 Education Foundation**, in partnership with **Great American Bank**, proudly presents the **"Making a Difference" Award**.

This award recognizes employees who continually exceed expectations—those who are truly *making a difference* for our students, families, and colleagues.

National Suicide Prevention Week is September 8-14. According to the CDC, in 2022 suicide was the second leading cause of death among individuals between the ages of 10-14. Call or text 988 to be connected with confidential support for anyone in suicidal crisis or emotional distress. This can be accessed via call or text 24 hours a day, 7 days a week.

At MCMS we will have morning announcements each morning teaching the acronym ACT-Acknowledge, Care and Tell a Trusted Adult. We will also have positive affirmation posters throughout the school to promote awareness of mental health.

Below are a few resources to help inform parents about current statistics as well as how to talk to your children about suicide.
