

GCCS HONOR GRADUATES/HOPE GPA

For honor graduate calculations, (including valedictorian and salutatorian) ALL grades earned from the beginning of ninth grade through the end of first semester of the senior year will be averaged. The overall GPA must be 90 or above to be considered an honor graduate.

Grades considered for HOPE eligibility will continue through the end of second semester of the senior year. Only **CORE** courses (*ELA, math, science, social studies, and foreign language*) are averaged for the HOPE GPA. To earn HOPE, the core GPA must be 3.0 **AND** students must earn at least 4 credits from courses on the rigor list.
