

LOGAN ELEMENTARY PTSO eBACKPACK

September 8, 2025

Logan Academic Games Team

OPEN TO 3RD, 4TH, & 5TH GRADERS
Starts September 16

WHAT: Academic Games is a series of games designed to develop, challenge, and test a student's knowledge in several different subject areas beyond what is taught in school. Students compete in games that cover Math, English, Social Studies, & Logic.

Academic Games team members are encouraged to attend a minimum of one practice a week, but are welcome to attend as often as they wish. All teams compete against other schools from and throughout the state about once a month on Saturdays. A full schedule of this year's tournament is on our Ann Arbor Academic Games website. We are Region C.

WHEN: Our team meets for practice at Logan Elementary in Ms. Jackson's class (Room 253) on Tuesdays 4:00 - 5:30 p.m. and Thursdays 6:30 - 8:00 p.m.

The team is coached by volunteers and supported through the efforts of many parents who act as co-coaches, chaperones, and fundraisers. Tierra Jackson is the Head Coach. We would like to encourage parents to attend any and all practices and tournaments to learn the games.

Kelsey Museum Family Day for All Students - Y5 through 5th Grade

Our next Family Day will take place on Sunday, October 5, 2025, from 11:00 AM to 2:00 PM. Coinciding with both National Archaeology Month and the 2025–2026 FIRST® LEGO® League challenge, this event will explore the themes of archaeology and technology through hands-on activities, presentations, and scavenger hunts.

We will have multiple archaeologists on site who will showcase the technology they use to learn about history. You'll also be able to hear from LEGO® League groups as they share their solutions to archaeological problems!

The Kelsey Museum Fall Family Day October 5, 2025

The Kelsey Museum Family Day is a free, biannual event featuring engaging, hands-on activities related to the cultures of the ancient Middle East, Greece, Egypt, and Rome. Each Family Day is centered around a theme and offers family-friendly activities that are fun for all ages.

Our next Family Day will take place on Sunday, October 5, 2025, from 11:00 AM to 2:00 PM. Coinciding with both National Archaeology Month and the 2025–2026 FIRST® LEGO® League challenge, this event will explore the themes of archaeology and technology through hands-on activities, presentations, and scavenger hunts.

Bus and Lunch Room Helpers

As we launch the school year, we could use your help! We are looking for volunteers to help with buses during arrival and dismissal and to help out in the lunchroom.

Arrival and Dismissal times are very busy at Logan. During the first week, students often need assistance finding their classrooms in the morning and finding their proper bus at the end of the school day. We are looking for volunteers to help direct students to where they need to go during both of these times. **This will be an outdoor volunteer position. If you can help, please sign up here: [Bus Helper Volunteers](#)**

Lunch is one of our busiest times of day. We are looking for volunteers in the lunchroom to assist students through the cafeteria line, opening food items, ensuring students are managing their time and eating their meals, as well as cleaning up after themselves. Please review the available slots below and click on the button to sign up. **Feel free to sign up for a partial time slot and note the time you are available. [Lunch Room Volunteers](#)**
