---

Dear Grandview Families,

As a reminder, any treats brought in for birthdays or classroom celebrations must include a nutritional label and ingredients. This is an important measure to ensure the health and safety of all our students. The label allows us to review ingredients and identify any potential allergens, helping us prevent allergic reactions and limit exposure to allergens in the classroom.

We appreciate your cooperation and support in keeping all students safe. Thank you for helping us maintain a healthy and inclusive environment at Grandview.

Sincerely,  
Mr. Bifulco
