"Once an Eagle, Always an Eagle"

Lincoln Elementary School, along with its faculty, staff, families, and students, agrees that the School-Parent Compact serves as an agreement that outlines how all stakeholders will share the responsibility for supporting student learning, continuous improvement, and academic achievement.

The Compact describes how the school and families will work together to build and strengthen a partnership that supports children's success in a safe and effective learning environment, enabling all students to meet the state's high academic achievement standards.

2025-2026

SCHOOL-PARENT COMPACT

ACADEMIC INSTRUCTIONAL GOALS

- Promote Student Learning – Deliver engaging lessons that build knowledge, critical thinking, and problem-solving skills, incorporating AVID strategies such as collaborative learning, inquiry-based questioning, and focused note-taking.
- Differentiate Instruction – Tailor teaching strategies to meet the diverse academic needs and learning styles of all students, using AVID supports like structured tutorials, goal setting, and organization tools.
- Monitor and Assess Progress – Track student performance, provide meaningful feedback, and adjust instruction to ensure mastery of concepts.
- Support Academic Achievement – Implement interventions and enrichment opportunities to help every student reach or exceed state academic standards, including student ownership, accountability, and critical thinking.

HOW WILL EACH STAKEHOLDER SUPPORT OUR STUDENTS' ACADEMIC SUCCESS?

TEACHERS & STAFF

Teachers and staff will work with students and their families to support students' academic success by:

- Plan and deliver engaging, rigorous lessons aligned to state standards.
- Differentiate instruction to meet diverse learning needs.
- Monitor student progress and provide timely feedback.
- Incorporate AVID strategies to build critical thinking, organization, and collaboration skills.

PARENTS/FAMILIES

Parents and families will work with their child and school staff to support students' academic success by:

- Support learning at home by encouraging reading, homework completion, and study habits.
- Communicate regularly with teachers about student progress and needs.
- Attend school events, trainings, and parent-teacher conferences to stay involved.

STUDENTS

Students will work with parent and families and their teacher (s) to improve their academic success by:

- Take responsibility for their own learning by being attentive, completing assignments, asking for help when needed, and bring documents home.
- Use AVID strategies such as note-taking, goal setting, and active participation in class.
- Practice self-discipline, organization, and perseverance in academics.
