

Matthew Henson Golf Permission Slip

It's golf season! Matthew Henson's Golf Team is open for tryouts! Students of all grades, genres, and experience levels are welcome to tryout for the team. The team will consist of six students who show skill, passion, and willingness to do their best! Tryouts and practices will be held at Matthew Henson and our official tournament will be played at White Plains Golf Course, during school hours on October 21st. Those who make the team will be asked to represent our school both inside and outside the classroom. If behaviors or grades do not reflect those of our school or team, they will be dismissed from the team. Parents are expected to make travel arrangements from practice. Mrs. Shearer loves coaching students, but she also has commitments to his own family and needs his students to get picked up promptly.
