Waterford Township
School District

Michael A. Nolan, Ed.D.
Superintendent

Christopher Eberly
Business Administrator

Dear Parent(s)/Guardian(s),

My name is Lisa Clee and I am the district's Occupational Therapist. I am part of the puppy raising program for The Seeing Eye organization. The Seeing Eye is an organization whose mission is "to enhance the independence, dignity, and self-confidence of blind people through the use of Seeing Eye dogs." I am currently raising a black lab puppy named Nikki. As a puppy raiser, my role is to provide Nikki with basic obedience training as well as to socialize her, exposing her to as many people and places as possible. Nikki will be in my care for 12-14 months until she returns to The Seeing Eye in Morristown, NJ where she will be trained to become a guide dog.

I am excited to announce that this school year Nikki will be accompanying me to the various schools of Waterford Township School District. I foresee that this opportunity will not only benefit Nikki in her journey to becoming a guide dog, but that it will also greatly benefit the students and staff.

Nikki will join me as I perform my job duties but will be available to socialize with all students and staff. Please sign and return this form if you do NOT want your child to interact with Nikki.

Thank you and I look forward to this opportunity!

Lisa M. Clee
